INTERVIEWER NOTE: If asked about definition of transgender:

Some people describe themselves as transgender when they experience a different gender identity from their sex at birth. For example, a person born into a male body, but who feels female or lives as a woman would be transgender. Some transgender people change their physical appearance so that it matches their internal gender identity. Some transgender people take hormones and some have surgery. A transgender person may be of any sexual orientation – straight, gay, lesbian, or bisexual.

Algunas personas se describen a sí mismos como transexuales cuando experimentan una identidad diferente de su sexo al nacer. Por ejemplo, una persona nace en un cuerpo masculino, pero se siente femenina o vive como mujer sería transexual. Algunas personas transexuales cambian su apariencia física para que coincida con su identidad interna. Algunas personas transéxuales toman hormonas y algunas tienen cirugía. Una persona transexual puede ser de cualquier orientación sexual – heterosexual (derecho), homosexual, lesbiana o bisexual.

INTERVIEWER NOTE: If asked about definition of gender non-conforming:

Some people think of themselves as gender **non-conforming** when they do not identify only as a man or only as a woman.

Algunas personas ven a sí mismos como sexo no declarado (definido) cuando no se identifican sólo como hombre o como mujer.

HELPTXT:

The reason we ask these questions is because we randomly select CA phone numbers to call. It is important for us to know how likely each person is to be selected. For example, someone with 3 phones is more likely to be randomly selected than someone with one phone.

La razón por la cual hacemos estas preguntas es porque escogemos números de teléfono de CA para llamar al azar. Es importante para nosotros saber la probabilidad de cómo cada persona debe ser seleccionada. Por ejemplo, alguien con 3 teléfonos es más probable que sea seleccionado al azar que alguien con un teléfono.

Section 30: Adverse Childhood Experience

I'd like to ask you some questions about events that happened during your childhood. This information will allow us to better understand problems that may occur early in life, and may help others in the future. This is a sensitive topic. Some people may feel uncomfortable with these questions. Remember that your phone number has been chosen randomly and your answers are strictly confidential. At the end of this section, if you would like, I will give you phone numbers for organizations that can provide information and referral for these issues. Please keep in mind that you can ask me to skip any question that you do not want to answer.
