

CHDV MA Elective Approval Form

This form should be completed PRIOR TO enrolling in your elective course and in consultation with a faculty advisor regarding your program goals. If in CHDV or a closely related field, it should likely be a graduate level course. If in a different field, upper division coursework may be acceptable.

Name _____

Student ID number _____

Email address _____

Elective chosen (course code and title) _____

Semester of anticipated enrollment _____

How will this elective enhance your educational goals in the CHDV MA program? _____

Have you submitted your advancement to candidacy? _____

If yes, is this course the one you listed on that form as an elective? _____

If you did NOT list it, you need to file a "petition for exception" with OGS prior to graduating.

Submit this form to the CHDV Graduate Coordinator for approval and placement of this form in your file. If you choose a different elective, a new form must be submitted prior to enrollment. Note this is a department (GSPE) document and does not replace the OGS form for advancement to candidacy or petition for exception.
