College of Education
College Wide Meeting

Agenda
Thursday, March 5, 2015
Eureka Hall 223
1:30-3:00pm

1. Program Chairs/Director Updates
   - Faculty Searches

2. CoE UARTP review & discussion (Stephanie Biagetti, Forrest Davis, Hui-Ju Huang)

There are three primary questions that we need to address as a college:

1) The role of the chair in the RTP committee (see note toward the bottom of page 1)
2) The labels that we give our rubrics for the different categories. UARTP suggested we change them and we must change to highest level to “Outstanding” (beginning on p. 6 and highlighted in the rubrics throughout the document)
3) The possibility for those going through the RTP process to write an explanatory statement for course evaluation averages below 3.0 since we have set an absolute minimum (p. 9)

3. Commencement (Debbie Santiago)

4. Database Survey & the future of Data Collection in the College (Chris Boosalis)
