

ARTICULATED COURSES

Assist.org is an online student-transfer information system that shows how course credits earned at one public California college or university can be applied when transferred to another. ASSIST is the official repository of articulation for California's public colleges and universities and provides the most accurate and up-to-date information about student transfer in California.

This list reflects those art courses articulated as of May 2017.

- With the exception of ART 133 (listed as ART 430 at ARC, CRC, FLC, and SCC; 133= HDEV 30 at Sierra for CD/LIBS majors only), only lower division courses are articulated. If a box is blank it means that Sac State does not have an equivalent at the community college.
- Even if a community college course is not articulated with a comparable Sacramento State course, it may meet the **spirit** of a lower division requirement in the Art major. Speak to an Art faculty advisor if you have taken a community college course in this category and wish to use it.
