# THE CSUEA INTERNSHIP PROGRAM

THE CSU'S ENTERTAINMENT INTERNSHIP & CAREER DEVELOPMENT RESOURCE

We connect CSU students with over 300 entertainment industry employers to facilitate meaningful internship experiences for campus to career success.

Internships are available in all areas including: production, post-production, marketing, animation, design, journalism, programming, public relations, television and film development, sports, performing arts, music, radio, broadcast news, social media, accounting, management, data & computer science, and many more!

**The CSUEA Internship Program is an excellent option for students who:**

- Are lower division freshmen or sophomores
- Are not eligible to enroll in an upper division internship course
- Are graduating in May but still want to complete a post-graduate summer internship
- Are enrolled in an internship class but need assistance securing an internship
- Need school credit for an internship they have already identified
- Are considering different majors and want to explore the Entertainment Industry landscape
- Want a summer work experience at an L.A. area company, attend a non-local CSU campus & need housing assistance.

Register at [CSUentertainment.com/internships](http://CSUentertainment.com/internships) for career development services including:

## Help Finding & Securing an Internship or Summer Housing in the L.A. Area

- The CSUEA **internship database** is updated weekly & searchable by region or interest
- Extensive career development resources including resume & cover letter writing skills & interview tips
- Assistance with applications & personal recommendation to hiring managers (whenever possible)
- Potential summer housing in the Los Angeles area for qualified CSU students based outside the region

## Low-Cost Internship Class for Credit

- Enrollment eligibility includes all currently registered CSU students & those who have graduated within the last 2 years.
- Earn 3 units for completing a minimum of 90 internship hours for a **low \$200 enrollment fee**
- San Francisco State University College of Extended Learning offers this LCA 576 course year-round
- The LCA 576 course may be repeated up to 3 times, for a maximum of 9 units
