PHOTOGRAPHY BFA TRANSFER WORKSHEET

Student: Date:

Use this sheet to plan your major transfer courses. These courses represent Photography major requirements that may be fulfilled by courses you take at other institutions. Review the Sac State catalog* to see the current list of courses that fulfill your major electives. Those courses may also count for GE requirements.

Consult with your advisor and assist.org to determine which courses at your current institution meet these requirements.

Transferable Courses		College	Course(s) Taken	Semester	Grade
