Curriculum Redesign Grant Program Project Report for 2022-23 Grants

Faculty Name:

Department:

Report Submission
Date:

Award Period:

Award Amount:

Project Title:

Priority/Justification for the Award (should match application):

- Project Completed as Awarded
For completed projects, the report must include a brief summary of the completed project, and its contribution to your professional development, including an account of dissemination efforts.
- Project Completed with Modifications
For projects completed with modifications, the report must include a brief summary of the completed project as modified, how the modifications enabled completion, the project's contribution to your professional development, and an account of dissemination efforts.
- Project Incomplete
For incomplete projects, the report must include an accounting of the parts of the project which remain incomplete along with an anticipated completion timeline.

Report

This written Project Report must include the deliverables stated in the proposal, as appropriate to the project, and be attached to this cover sheet.

The report should include the following information:

- Summary of the completed project.
- Summary of how this award benefitted you, your students, program/department.
- Data to support the advancement of college priorities.
- Dissemination of results.

The report should be submitted to the Dean's Office via email to Sharon Hopkins Bright at Hopkins-Bright@csus.edu and the Department Chair must be copied.
