

Sacramento State String Project Registration – Fall 2021

String Project will return to in-person learning in Fall 2021. **Current campus regulations stipulate that all participants and caregivers be masked while on-campus to participate.** All children will be required to mask while indoors. All teachers will be masked while interacting with your children and vaccinated.

Currently we plan to have a new-beginner’s class, intermediate/year 2 class, and an orchestra class/year 3+. Your child will be placed where we feel their growth can be maximized. Of course, your input as parents is important, please let us know your concerns and questions. Because our classes are larger groups, we ask that only children in the fourth grade and up participate.

For the optional ten additional individual lessons, your child will be assigned a private teacher from among the Sacramento State Teacher Trainees. Please check ALL lesson times that your child could meet to help with scheduling. **All children must participate in the group classes to be eligible for private lessons.** Master Teachers Judy Bossuat-Gallic and Timothy Stanley will observe both classes and lessons and guide the instruction.

Parent information meeting is at 6:00 PM, Monday September 13th, Capistrano Hall room 223 on Sac State’s campus. Children do not need to attend. Masks required when indoors.

String Project will begin for children on Wednesday September 15th at 4:45 PM. Capistrano Hall room 223 or 227. Once per week one-on-one lessons begin Monday, September 20. You’ll be notified of your time and day before the or at the parent meeting.

Our final concert is Monday December 13th at 7:00.

Please fill out the information below. Please print clearly and return it with the total from the fees chart below. Check should be made out to “CSUS String Project.”

A \$50 administrative fee will be withheld if registration is cancelled after 9/15/21. Fees are non-refundable after the 10/1/21 class and cannot be pro-rated.
