Biography

Dr. Ozcelik is a Professor of Management in the College of Business Administration at the Sacramento State University. He received his Ph.D. in Organizational Behavior from the University of British Columbia, Canada. He holds a double-major degree in Management and Political Science, and an MBA from Bosphorus University, Turkey. His research focuses on the role of emotions in organizational life, including such topics as discrete emotions in organizations, including loneliness and anger; surface acting; emotions in leadership; emotional climate; emotions and decision making; and emotional awareness in cross-cultural business communication. He also leads the [Annual CBA Film Festival](#) and the interdisciplinary [CBA Organizational Wisdom Studio Project](#).

Dr. Ozcelik has published in academic outlets such as [Academy of Management Journal](#), *Organization Science*, *Journal of Organizational Behavior*, *Journal of Managerial Psychology*, *Journal of Management Education*, *Research on Emotion in Organizations*, *Personnel Review*, and the *Academy of Management Best Papers Proceedings*; and presented his studies at several conferences. His research has also been cited in popular press outlets such as *New York Times*, *The Guardian*, [Fortune Magazine](#), [Harvard Business Review](#), [Comstock's Magazine](#), [the Wharton School's business radio broadcast](#), *The Washington Post*, Society for Human Resource's Magazine, and *Bloomberg*.

During his career do date Professor Ozcelik has received the [CSU Faculty Innovation and Leadership Award](#); the CSUS *Outstanding Research Award*; *Outstanding Teaching Awards* from the UBC and the CSUS; *Citation of Excellence Award* from the Emerald Management Reviews; the *Outstanding Reviewer Award* from the Academy of Management; the *Dean's Outstanding Research Awards* from the CSUS; and the *Research and Creative Activity Award*, *Provost's Research Support*, and *Pedagogy Enhancement Award* grants from the CSUS.

Outside academic work, he has been involved with theater as an amateur actor and director for many years and performed in several productions. He is married and has one son and one daughter, who make Hakan and his wife learn how to rediscover the joys of life.

Areas of Interests

Teaching Organizational behavior; business communications; leadership; emotional intelligence; theory building in organizational behavior.

Research Discrete emotions in organizations, including workplace loneliness and anger; surface acting; emotions in leadership; emotional climate; emotions and decision-making; and emotional awareness in cross-cultural business communication.
