

Deanna Daly, Principal of Daly Consulting Group, supports companies seeking to improve supply chain and project management functions with special interest in mobility technology, labor supply chain, and transportation. She also teaches honors and graduate courses at Sacramento State University in Supply Chain and Project Management receiving the Most Enriching Lectures Award from the MBA Networking Association. She has over 20 years of experience in project management and supply chain management. Prior to her current roles, she held leadership positions in Strategic Procurement for Siemens Rail, Global Procurement for Hewlett Packard, Operations Management for POS Portal, and Project Management for CV Logistics. In these roles, she managed departments of 50+ employees, opened new facilities, and drove strategic planning for a \$4.5B spend category.

Deanna earned an MBA as well as a BS in Business from Sacramento State and graduated from the Sacramento Entrepreneurship Academy (SEA). She currently serves on the board of the Sacramento Entrepreneurship Academy (SEA). Deanna has also served on the College of Business Administration Advisory Council (CBAAC), the Project Management Institute (PMI), and as the President for the Business Chapter Board of the Sacramento State Alumni Association where she was recognized as the Chapter Leader of the Year in 2017. Other board positions include the Sacramento Advocates for Girls Empowerment (SAGE) and the Society for the Advancement of Management (SAM).

She maintains certification in project management (PMP) and directs volunteer consulting projects for many local small businesses and non-profits including Sacramento Food Bank, United Way, Loaves and Fishes, Girl Scouts, Goodwill, and River City Food Bank. In her spare time, she enjoys running, yoga, circuit, reading post-apocalyptic sci-fi, and spending time with her two children and family dog.
