

Jaydeep Balakrishnan is the Associate Dean for Faculty Support and a professor in the Marketing and Supply Chain Management Department. He joined the College in September 2019.

Previously he was a faculty member for 29 years in the Haskayne School of Business at the University of Calgary in Canada, where he also served as associate dean, area chair and director of the Canadian Centre for Advanced Supply Chain Management and Logistics.

He has presented papers at various international conferences, co-written two textbooks on operations and supply chain management, and has published over 45 articles on operations and supply chain management and other topics in reputable journals. He has served as the president of the Calgary Chapter of Chicago IL based Association for Supply Chain Management (ASCM).

Jaydeep has been recognized for his outstanding teaching and research, including the 2010 *International Journal of Operations and Production Management's* Outstanding Paper Award, an Honorable Mention from the Decision Sciences Institute (DSI) for instructional innovation in 2005, and the Best Operations Management Paper Award at the Western DSI Meeting in 1994. He has been a holder of Canadian government research grants and is listed in the *Who's Who in Canadian Business* published by the University of Toronto Press.

He has provided workshops to professionals and academics internationally. Jaydeep has been a visiting teaching and research scholar in engineering management at the Chinese University of Hong Kong, and a visiting associate professor at the National University of Singapore Business School. He also has taught courses at the Warsaw School of Economics in Poland, and at Sharif University in Iran.

Jaydeep holds a PhD in operations management from Indiana University, an MBA from the University of Georgia and a BE in mechanical engineering from the Visvesvaraya National Institute of Technology at Nagpur University, India. He is also certified in production and inventory management by ASCM.
