## Biography

Dr. Amy Mickel earned her doctorate from University of Washington's Foster School of Business. She has been a full-time faculty member at Sacramento State since 2000. She has taught in MBA programs domestically and overseas and in the inaugural CA Parks Leadership Development Program. Her research is published in prestigious and international journals such as *Academy of Management Review*, *Human Relations*, *Journal of Management Education*, and *Journal of Management Inquiry*.

Dr. Mickel has also served the State of California and other organizations as a principal research investigator and consultant, including California Department of Parks and Recreation (Division of Boating & Waterways and OHMVR Division), Delta Protection Commission, and One Tam (Marin, CA). The most recent projects she has completed include: (a) *2018 California Boating Facilities Needs Assessment (Ten Volumes)*, (b) *Recreation & Tourism in the Delta* (2019) for Delta Protection Commission, and (c) *Generating, Scaling Up, and Sustaining Partnership Impact: One Tam's First Four Years* (2018) and *Partnership Impact Evaluation Guide* (2019) for One Tam and the Golden Gate National Parks Conservancy.
