MANAGEMENT

VISION 2020: SEE YOUR SUCCESS COME TOGETHER

Career Management is one of the 8 NACE Core Competencies which predict Success and Career Readiness for college graduates.

Let us open your eyes to the power of career management!

Career Management:

The ability to identify and articulate one's skills, strengths, knowledge, and experiences relevant to the position desired and career goals, and identify areas necessary for professional growth. The individual is able to navigate and explore job options, understands and can take the steps necessary to pursue opportunities, and understands how to self-advocate for opportunities in the workplace.
