

Celebration of Teaching!

Interested in exploring the teaching profession and connecting with credential students and local teachers who can share their experiences?

Learn > what it's like to be a PK-12 school teacher.

Meet > other Sac State students interested in teaching, including current students in the Teaching Credential program.

Teacher Panel

Hear from credential students and current teachers about their journey into the teaching profession.

Showcase

Get a taste of everyday teaching through activities, stories, and practical classroom strategies.

Feb 24, 2026

4:30pm-7pm
