

SCIENCE SATURDAY

Science of Sound

BREAKFAST & LUNCH

FREE RAFFLE

BREAKOUT SESSIONS

\$15 STARBUCKS GIFT CARD

**\$20
REGISTRATION
FEE**

KEYNOTE SPEAKER

Michele Noufer, Executive Director of NorCal Arts will "Set the Tone" for our day, sharing the research and benefits of arts integration in science for ALL students, and tricks you can use for yourself in the classroom.

HANDS-ON WORKSHOPS FOR K-12 TEACHERS

Explore integrating science and theatre in the elementary classroom, delve into the biology and physics of sound in the secondary classroom, and uncover the physiology of what happens in mind and body when you are listening to music.

WORKSHOP MATERIALS

All participants will receive a link to comprehensive workshops materials, and instructor slide decks. This will be provided for every workshop held, not only those attended!

SATURDAY, SEPTEMBER 7

University Union, Sacramento State University,
9:00 AM-3:30 PM
