

Internal Grant Funding Opportunities & Faculty Resources Sacramento State, 2018-19

Faculty Internal Funding Programs (in chronological order based on academic year deadlines):

Faculty Research Incentive Grant (FRIG)

Provides an incentive to faculty to write and submit an external grant proposal during a specified time period.

Award: Either \$2500 in additional employment money or professional development funds, **or** 1 WTU (weighted teaching unit) of release time.

Selection: Preference given to probationary faculty **without** previous grant proposal writing experience.

DUE 10/1/18, 5pm, for grant proposals to be submitted between 1/1/19 – 7/31/19.

UEI Campus Grant Program

Funds projects that advance discovery and understanding while promoting teaching, research, and campus engagement.

Award: Maximum \$5,000; average award \$2,500 or less.

Selection: Preference to projects that involve service learning, experiential learning, student research, and/or events/programs/activities that advance a health, social, economic, or workforce issue of importance to the campus and region. Committee comprised of UEI Board Members and campus representatives. Weighted criteria available on website.

Due 10/26/18, 5pm

Probationary Faculty Development Grant

Assists probationary faculty in meeting RTP requirements.

Award: 3 units assigned time in spring 2019.

Selection: First priority is for faculty who received the CSU Forgivable Loan; second priority for ABD faculty to complete dissertation; third priority for non-tenured assistant professors. Generally not awarded more than once to individual faculty. Multidisciplinary panel of faculty on Graduate Diversity Committee rates each application component and takes into account the applicant's Dean's recommendation.

Due: 10/26/18

Pedagogy Enhancement Award

Supports faculty to develop expertise, curriculum, and programs that improve the quality of teaching and learning at Sacramento State.

Award: 3 units assigned time (or 6 units for 2 or more faculty collaborating); \$500 in professional development funds (or \$1000 for 2 or more faculty collaborating).

Selection: Interdisciplinary review panel of 5 faculty evaluates proposals based on weighted components/criteria described in RFP.

Due: 11/12/18, 5pm

Research and Creative Activity (RCA) Award Program

Supports research, scholarly, and creative activity, and encourages faculty contributions to their disciplines. Recipients must produce a scholarly deliverable (article, manuscript, grant proposal, etc.).

Internal Grant Funding Opportunities & Faculty Resources Sacramento State, 2018-19

Applicant information session scheduled Wednesday 11/14/18, 12-1pm, suite 3010 Hornet Bookstore.

Award: Up to 4 units assigned time OR up to \$5,000 summer research salary OR up to \$7,500 in project-related expenses (not salary).

Selection: Weighted criteria applied by interdisciplinary faculty review panel. Proposals are ranked and funded by scores (with at least two funded per college).

Due: 12/3/18, 5pm

[Associated Students, Incorporated \(ASI\) External Grants](#)

Funds on-campus programs dedicated to creating an active and engaged campus community, and to serving students.

Award: Varies but for new programs generally start out small (\$1,000-\$3,000).

Selection: By ASI (student government).

LAST Deadline: 12/8/17, 5pm

[Instructionally Related Activities \(IRA\)](#)

Student fees fund IRA; the program funds essential educational experiences and activities that aid and supplement the fundamental mission of the university.

Award: Ranges from \$2,500 to over \$60,000 (for large campus-wide programs)

Selection: IRA committee (students, staff, and administrator(s)) rank order applications, using a rubric, and also recommend funding amounts.

LAST Deadline: 3/28/18, 5pm

[Faculty Research Incentive Grant](#)

Provides an incentive to faculty to write and submit an external grant proposal during a specified time period.

Award: Either \$2500 in additional employment money or professional development funds, **or** 1 WTU (weighted teaching unit) of release time.

Selection: Preference given to probationary faculty **without** previous grant proposal writing experience.

Due 4/1/19, 5pm, for grant proposals to be submitted between 8/1/19 – 1/31/20.

Office of Research, Innovation, and Economic Development (ORIED) Resources:

[Grant Development Travel Support Fund](#)

Provides travel funds to support faculty travel to a grant proposal writing workshop, such as those conducted by NSF and NIH.

Award: Up to \$750 towards in-state travel; up to \$1,500 towards out of state travel.

Selection: ORIED in consultation with chair and/or dean

Due: No later than 21 days prior to travel.

[Faculty Scholarship Committees](#)

Provides a venue for faculty to meet around a specific research/scholarship area of interest; specific committees meet regularly over the course of an academic year.

Award: Previously, \$250 in professional development funds were available for participants who produced a scholarly deliverable.

Selection: Previously, was first come first served until the FSC is full.

Due: 9/7/18, 5pm.

Internal Grant Funding Opportunities & Faculty Resources Sacramento State, 2018-19

[Statistical Assistance](#)

Assistance with statistical analyses and methods for faculty using quantitative data for research, scholarship, proposals, or evaluations.

[Guide to Services Offered](#) by ORIED

List of the services offered, and who to contact in order to access them.

Faculty [Protected Writing Time](#) at ORIED

ORIED [Funding Link](#) to monthly bulletins and [Finding Funding](#) (searching funding databases) and [Funding Information Request Form](#)

ORIED [Proposal Writing and Program Evaluation Resources](#)

Find proposal writing resources, including podcasts, webinars, proposal writing tips and guides, and evaluation resources.

[Center for Teaching and Learning](#) Faculty Support Programs

Sacramento State's campus-wide CTL offers numerous faculty support programs. Please see their website for a complete listing; a limited list of opportunities that include funding is below.

[Summer Teaching Institute](#)

This week-long institute is designed to assist faculty in learning new ways of engaging students and collecting evidence of student learning, in addition to exposing faculty to new technologies that may improve teaching and learning.

Award: Participation in collaborative week-long institute, with award of hardware/software at completion (usually choice of iPad Pro, SurfacePro or MacBook).

Selection: Priority given to tenure track and tenured faculty, and to "compelling project proposals."

LAST Deadline: February 28, 2018, 5pm

[Faculty Learning Communities](#)

FLCs and PLCs (Professional Learning Communities) are peer led groups (8-12) of faculty and professionals that engage in an active, collaborative, and supportive, year-long program (usually meet 10 times) with curriculum focused on a particular topic, problem or question related to teaching and learning.

Award: After completion of deliverables, awarded PD funding or overload salary of about \$700.

Selection: By committee of all FLC/PLC leaders; selection takes into account quality of application.

Deadline: early spring semester for fall starts, early fall semester for spring starts

[Visiting Scholars Program](#)

Supports efforts to increase scholarly and creative engagement, outreach, and internationalization on campus by hosting scholars, filmmakers, artists, and other

Internal Grant Funding Opportunities & Faculty Resources Sacramento State, 2018-19

prominent individuals who participate in an array of events that enrich the intellectual and creative vibrancy of the university and regional community.

Award: Funds to bring a visiting scholar to campus (amount varies by distance from campus).

Selection: Criteria explained on website.

Due: Fall 2018 funds already spent; Spring 2019 funds are available.

Support for Hybrid or Online Courses

If you teach **hybrid or online courses**, CTL offers a number of resources and supports, including workshops as part of the [Quality Assurance Program](#), [Instructional Design workshops](#), information about [Affordable Learning Solutions](#), and other [online teaching and learning resources](#).
