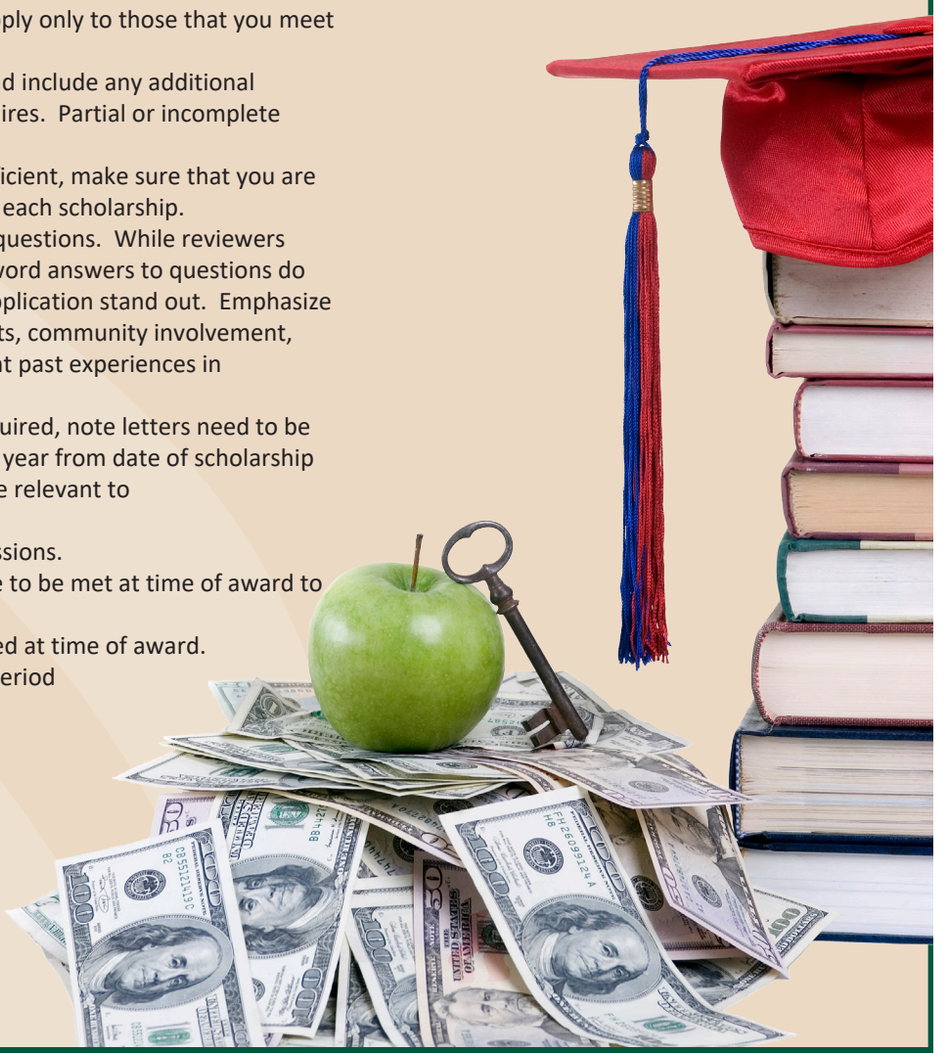
Scholarships 2025-26

College of Education

Tips for a successful scholarship application:

- Review scholarship requirements, apply only to those that you meet the criteria.
- Make sure you follow instructions and include any additional documents that the scholarship requires. Partial or incomplete applications will not be considered.
- While reusing essays is smart and efficient, make sure that you are still closely following instructions for each scholarship.
- Give full and descriptive answers to questions. While reviewers appreciate succinct responses, one word answers to questions do not market you well or make your application stand out. Emphasize personal strengths, qualities, interests, community involvement, extracurricular activities, and relevant past experiences in your responses.
- If letters of recommendation are required, note letters need to be on letterhead and no older than one year from date of scholarship application submission and should be relevant to your educational endeavors.
- Spell check and proof read all submissions.
- All scholarship criteria must continue to be met at time of award to remain eligible for scholarship.
- Scholarship recipient must be enrolled at time of award.
- Scholarship application submission period is **October 1, 2025 - March 2, 2026.**



SACRAMENTO STATE

Application Period: October 1, 2025 - March 2, 2026
