## WELCOME!

### Our Mission

The Educational Equity Program (EdEq) in the College of Education is dedicated to providing students with the knowledge, services, and resources to achieve their academic and professional goals. Our efforts are closely aligned with Sacramento State's Strategic Goals. We provide advising and support resources for student groups interested in careers in education. Among these are financial aid and work-study candidates, Cal-grant recipients, students that are the first in their family to attend college/university, and multilingual/multicultural students.

## Quote of the Month

"YOU CAN'T LEAD THE PEOPLE IF  
YOU DON'T LOVE THE PEOPLE. YOU  
CAN'T SAVE THE PEOPLE IF YOU  
DON'T SERVE THE PEOPLE."

- DR. CORNEL WEST

## OUR SERVICES

We provide academic advising for undergraduate majors in Child Development and pre-admission criteria for all teaching credentialing programs, evaluations for the Hmong and Spanish Bilingual Authorization, evaluations for Supplemental Authorizations, Introductory Subject Matter Authorizations, and more. Plus, Peer Mentors are available for CBEST, CSET preparation, and tutoring.

## OUR TEAM

Our team consists of passionate Sac State students who want to become teachers and agents of change. Our knowledgeable Peer Mentors provide extensive support to our students pursuing a teaching credential at Sacramento State. From providing tutoring for CBEST and CSET exams and giving advice from personal experience to motivate our teaching credential candidates.

## BILINGUAL AUTHORIZATION

Our bilingual authorization program has been a consistent leader in preparing bilingual teachers to work actively to reverse the inequitable educational and life outcomes for English learners in our region. Make an appointment with Karina Figueroa-Ramirez to add a Bilingual Authorization to your teaching credential.

## HOSTING LOCAL SCHOOLS & COLLEGES

By hosting students from local schools, we hope to inspire them to consider becoming an educator. Our vision is to be the regional leader in preparing and developing excellent teachers. In collaboration with LOCAL schools and communities, teachers prepared at Sacramento State create and sustain equitable, inclusive educational environments designed to optimize access and student success.

The California Subject Examinations for Teachers® (CSET®) have been developed by the California Commission on Teacher Credentialing (CTC) for prospective teachers who choose to or are required to meet specific requirements for certification by taking examinations. The CTC contracted the Evaluation Systems group of Pearson to assist in the development, administration, and scoring of the CSET. The CSET program includes examinations designed to help candidates meet the following certification requirements:
