Teaching Credentials

Mission

The Teaching Credentials Branch prepares teachers and leaders to be agents of change, committed to social justice, equity and inclusion in culturally and linguistically diverse schools and communities.

Vision

Our vision is to be the regional leaders in preparing and developing excellent teachers. In collaboration with our schools and communities, teachers prepared at Sacramento State create and sustain equitable, inclusive educational environments which are designed to optimize access and student success.

Help Prepare a New Generation of Teachers!

Benefits to you and your school/ program include:

The Student Teachers and the Cooperating Teachers/Mentors will apply **co-teaching approaches** in the classroom/program, **dramatically improving the student-teacher ratio**, resulting in increased attention to each student's learning needs and improved student outcomes *and* extra help in the classroom! Candidates complete a **year-long placement** alongside the Cooperating Teacher so they become part of your school community.

More benefits of mentoring a Sac State student teacher:

- \$200 or 3.0 Continuing Education Units.
- Co-teach along side a well supported University Student with new ideas and perspectives
- Prepare future colleagues

Is this for me? If the answer is yes, and you are...

- An experienced educator with a minimum of three (3) years of classroom teaching
- Willing to provide coaching and debriefing your instructional practices
- Interested in adding to your toolkit of equity strategies aligned with our mission & vision
- Willing to participate in professional development to support your student teacher
- Eager to shape the next generation of teachers
