

MASTER OF ARTS IN TEACHING & TEACHING CREDENTIAL PROGRAM INFORMATION SESSIONS

LEARN MORE ABOUT OUR CREDENTIAL PROGRAMS

If you are considering applying to the Master of Arts in Teaching (MAT/MASET) and Teaching Credential Program at Sacramento State, visit our website:

[College of Education Teaching Credentials](http://www.csus.edu/college/education/teaching_credentials)

After you review the admission requirements, you are strongly encouraged to attend one of the next program info sessions or view the program info session PowerPoint on the website to determine if Sac State's program is a good fit for you. Advisors who conduct the info sessions spend 60-90 minutes providing an overview of program admission requirements, application process, program options, added authorizations, test support, and Q&A.
