

TEACHING CREDENTIAL & MASTER OF ARTS IN TEACHING PROGRAMS INFORMATION SESSIONS

LEARN MORE ABOUT OUR PROGRAMS

If you are considering applying to a Teaching Credential Program at Sacramento State, visit the website. [College of Education Teaching Credentials](https://www.csus.edu/college/education/teaching_credentials/)

Then after you review the admission requirements, you are strongly encouraged to attend one of the next program information sessions or view the program information session PowerPoint on the website to determine if Sac State's program is a good fit for you. Advisors who conduct the information sessions spend 60-90 minutes providing an overview of program admission requirements, the application process, program options, and answer your questions.
