

### **MAT Application Instructions for Returning Students**

If you entered the MAT or MASET (MAT with Special Education) program in **Fall 2019 or later** and would like to return to Sacramento State to complete the Master or Arts in Teaching degree (having already completed the credential coursework), please follow the instructions below. The first course in the MAT/MASET will be offered in Summer 2023 through the College of Continuing Education. You must apply through Cal State Apply if you have been away from Sac State for more than one semester, without having taken an official approved leave of absence through the Office of Graduate Studies.

In Cal State Apply Quadrant IV, you do not need to submit any of the required documents. Instead, where a submission is required, submit this page instead (you may have to submit this document multiple times). Complete the information below, and submit this document instead of all requested information.
