

California State University, Sacramento

College of Education – Teaching Credentials

TUBERCULOSIS TEST (TB TEST)

ALL applicants must submit evidence of TB clearance either by skin test within the past 12 months or chest x-ray within the past 36 months prior to beginning the program.

Note: If your school site begins before the CSUS semester begins, submit your TB test prior to the start date at your school site.

Continuing Sac State students can use the campus Health Center, if open. Click [HERE](#) and login to 'Patient Portal' to make an appointment.

Submit TB test results to coe-cred@csus.edu
