Evaluator, please complete the following:

For the first semester/initial field experience:

- Recommend Candidate to subsequent semester of student teaching, based on majority scores of "2". **
- Recommend Candidate repeat current semester of field experience.
- DO NOT recommend Candidate repeat field experience.

** In general, a score of 2 "meets requirements." However, Candidates are expected to score 3s on all items related to professionalism (36-43), with no 0s or 1s. If there are a majority of 0s or 1s in any of the 9 sections of the evaluation (i.e., Preparation; Instruction-Building background; Instruction-Strategies; Assessment; Professionalism, etc.) then Candidates "do not meet requirements." (Majority means more than 50% of the items in that category. Thus, if the category has two items and one item is a score of 1 and the other is assessed as a 2, the candidate would meet requirements for that category.) Or, refer to your program Fieldwork Evaluation Rubric guidelines for "passing" scores.

For the culminating student teaching experience:

- Recommend Candidate for Preliminary Credential based on majority scores of "4", generally with no "1s" or "2s" on the final evaluation.
- Recommend Candidate repeat culminating student teaching experience.
- DO NOT recommend Candidate repeat culminating student teaching experience.
