

STUDENT SUCCESS

An ability to think critically, grow professionally, achieve goals, and contribute to the community.

VISION

We strive to be a community of scholars in which students are engaged in diverse learning experiences with faculty and staff who are devoted to student success and professional achievement.

MISSION

Through contemporary curricula, engaging pedagogy, student support, scholarship and applied research, we produce career-ready graduates prepared for a lifetime of professional achievement and intellectual growth.

VALUES

Student Success, Academic Excellence, Scholarly Activity, Community Engagement, Integrity

GOALS

1. Create a supportive environment for student success.
2. Promote effective teaching, scholarship, and professional development.
3. Provide impactful service to our institution and community.

PRIORITIES (2019 - 2021)

1. Teaching Effectiveness
2. Growth in Number of Staff and Faculty
3. Support for Student Leadership Initiatives
