Sacramento State GenCyber Summer 2022 Teacher Camp Program

Sponsored by NSA and NSF, California State University, Sacramento (Sacramento State) is honored to host the GenCyber Summer 2022 Camp Program for Secondary School Teachers (Grades 6-12) on July 25-29, 2022. This camp provides secondary school teachers training and professional development in cybersecurity and its related pedagogy. Participants will be part of a professional community to learn, develop and deliver security content in the K-12 classroom. You will learn how to encourage and support student interest in studying security and entering the field. More details can be found here: https://www.csus.edu/college/engineering-computer-science/center-information-assurance-security/gencyber.html. Space limited! Apply Now!

- Dates: July 25 - July 29, 2022
- Schedule: 9:00 am - 5:00 pm (detailed schedule will be available to selected participants)
- Format: virtual instruction via Zoom Online
- Cost: Free (each participant will receive a $1,000 stipend to compensate their time and costs of participating in the camp as well as the pre-camp and post-camp events)
- Applicants: Middle school and high school (i.e. grades 6-12) teachers (US citizen or permanent resident only). A letter of support is needed from school administrator.
- Application Link: https://forms.gle/zFHjP5B71yDuTdSf9
- Application Deadline: Application are being accepted. Open until all 30 seats are filled.

Features of the 2021 Teacher Camp

- Instruction by Computer Science and Education professors from Sacramento State
- Integration of fundamental theory and hands-on practice (with fun)
- Strong K-12 pedagogical education and support
- Virtual instruction with strong support for class engagement
- Pre-camp and post-camp activities, support, advice and professional development
- Each participant will receive a stipend to compensate their time and costs participating
- Each participant will receive three Continuing Education Units (CEU) for participating

Eligibility and Logistics

All camp participants must be teachers (U.S. citizens, or permanent residents only) at a middle school or high school in the United States. Teachers from all disciplines, including but not limited to Science, Technology, Engineering, and Mathematics, are welcome. Space is limited. When the camp is full, applicants will be placed on a waiting list and will be notified when a spot becomes available. If you have any questions regarding the camp, please contact the program director Dr. Jun Dai (cias@csus.edu).
