

STEP #1 – Calculate your units for CALCULUS-1

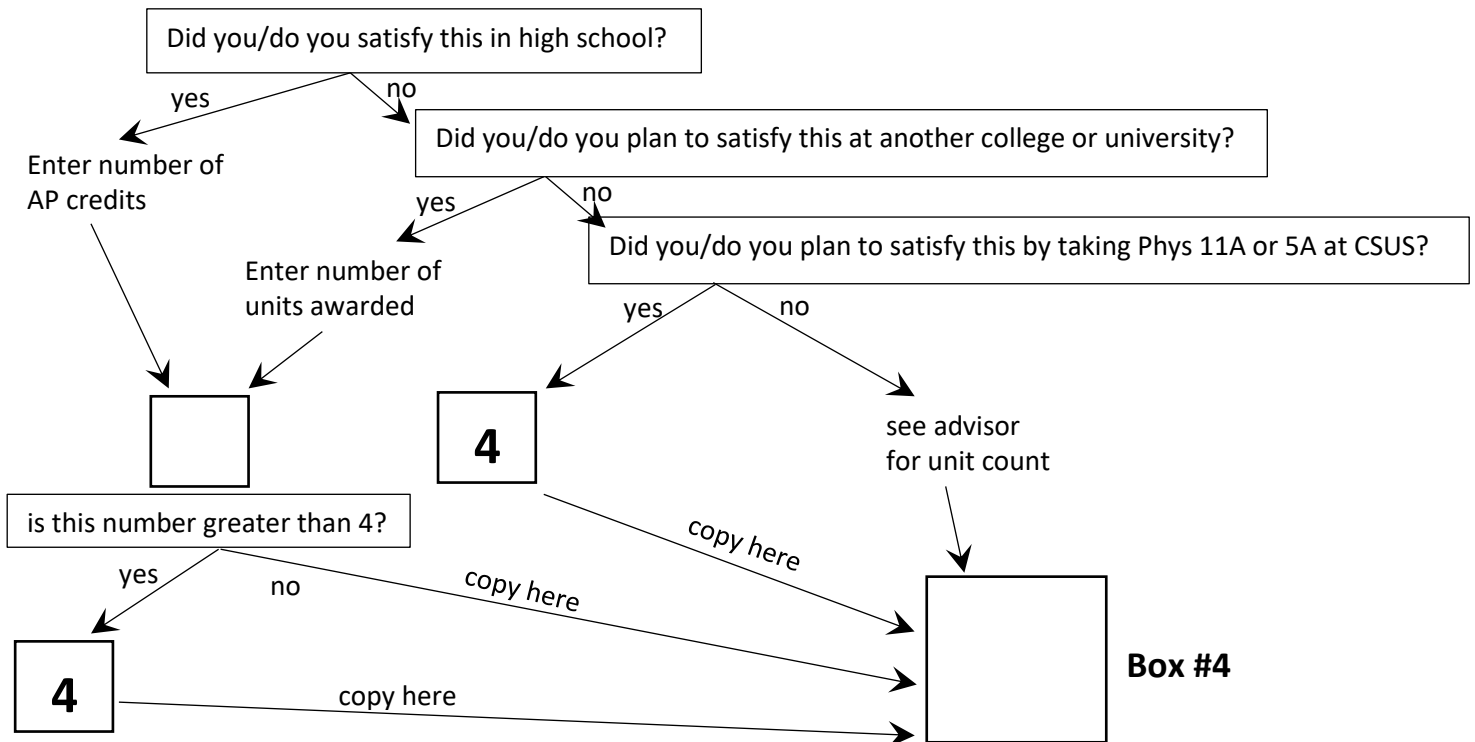

STEP #2 – Calculate your units for CALCULUS-2

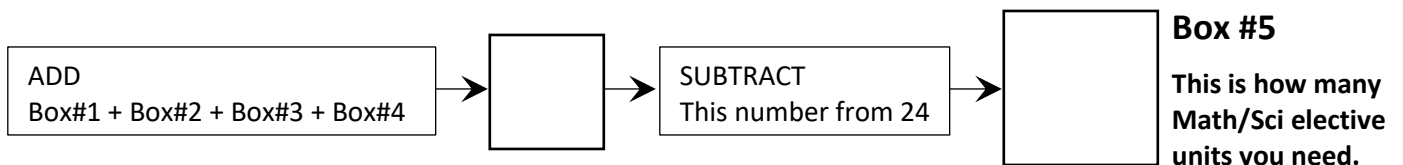

STEP #3 – Calculate your required STATISTIC units

STEP #4 – Calculate your required PHYSICS units

STEP #5a – Calculate your required MATH/SCIENCE ELECTIVE units

STEP #5b – Calculate the number of Math/Science elective units FULFILLED

CHEM 1A	enter units <input type="text"/>	Is this number greater than 5?	yes → 5 no →	copy here → copy here →	<input type="text"/>
CHEM 1E	enter units <input type="text"/>	Is this number greater than 4?	yes → 4 no →	copy here → copy here →	<input type="text"/>
Phys 11B	enter units <input type="text"/>	Is this number greater than 4?	yes → 4 no →	copy here → copy here →	<input type="text"/>
Phys 11C	enter units <input type="text"/>	Is this number greater than 4?	yes → 4 no →	copy here → copy here →	<input type="text"/>
Phys 5B	enter units <input type="text"/>	Is this number greater than 4?	yes → 4 no →	copy here → copy here →	<input type="text"/>
					(cannot count if also counting Phys 11B or 11C)
Math 32	enter units <input type="text"/>	Is this number greater than 4?	yes → 4 no →	copy here → copy here →	<input type="text"/>
Math 35	enter units <input type="text"/>	Is this number greater than 3?	yes → 3 no →	copy here → copy here →	<input type="text"/>
					(typically appears as a community college transfer)
Math 45	enter units <input type="text"/>	Is this number greater than 3?	yes → 3 no →	copy here → copy here →	<input type="text"/>
Math 100	enter units <input type="text"/>	Is this number greater than 3?	yes → 3 no →	copy here → copy here →	<input type="text"/>
					(cannot count if also counting Math 35)
Phil 160	enter units <input type="text"/>	Is this number greater than 3?	yes → 3 no →	copy here → copy here →	<input type="text"/>
other CSUS course	<input type="text"/>			indicate number of units here →	<input type="text"/>
other CSUS course	<input type="text"/>			indicate number of units here →	<input type="text"/>
other course taken at another university				see advisor for unit count →	<input type="text"/>
TOTAL =					<input type="text"/>

↓
must be at least the value shown above in Box #5

⇒ **At least one of the courses on this page must be Math, Statistics, or Phil-160.** ✓
