

STUDENT ADVISING FORM FOR MS IN SOFTWARE ENGINEERING

This form is also available on the web at <http://www.ecs.csus.edu/csc/>.

Student's Name: _____ Work Phone: _____

Address: _____ Home or Cell: _____

SAC STATE ID #: _____ Email Address _____

Advisor's Name: _____

Initial Advising Information

Today's Date: _____ Semester and Year Classified: _____

Initial classification (check one): Full Conditional (complete section I)

Current GPA: _____ Check if on probation or academic warning:

I. Completion of Conditions for Full Classification

Courses Required	Grade	Semester Taken
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Verified by _____ Date: _____
(Graduate Coordinator's signature)

II. Required Software Engineering Courses (select 7 out of 8)

Courses	Grade	Semester Taken	Substitution if Waived*
CSc 230	_____	_____	_____
CSc 231	_____	_____	_____
CSc 232	_____	_____	_____
CSc 233	_____	_____	_____
CSc 234	_____	_____	_____
CSc 235	_____	_____	_____
CSc 236	_____	_____	_____
CSc 238	_____	_____	_____

*Each course waived must be replaced by an additional restricted elective with your advisor's recommendation, and approved by the Graduate Coordinator or Chair.

III. Required Research Methodology

Required Course	Grade	Semester Taken
CSC 209	_____	_____

IV. Restricted Electives

Select courses from the restricted list, with your advisor’s recommendation, and have them approved by the Graduate Coordinator or Chair. A minimum of two courses is required for students doing the MS project, and one course for the MS thesis. One additional elective must be taken for each course waived from the required software engineering courses.

Courses	Grade	Semester Taken
_____	_____	_____
_____	_____	_____

V. Culminating Requirements

(Thesis requires the Graduate Committee’s approval of topic and content, two readers, and a thesis presentation.)

Thesis or Project (check one): ____500 ____502 Semester registered: _____

Topic: _____

Faculty Sponsor: _____

Advisor’s Signature (one for each update)

_____	Date_____	GPA_____	Status_____
_____	Date_____	GPA_____	Status_____
_____	Date_____	GPA_____	Status_____
_____	Date_____	GPA_____	Status_____

Substitutions and waivers of required courses must be approved on the department’s Petition for Substitution or Waiver of Required Courses with Non-articulated Courses. Obtain the signature of the appropriate Computer Science Course Coordinator for the course in question and then submit the form to the Graduate Coordinator’s Office. Your advisor can inform you of the appropriate Course Coordinator.
