FROM: Jinsong Ouyang, Ph.D.
Graduate Coordinator
Department of Computer Science

SUBJECT: Optional Practical Training for

The above named student is an international graduate student pursuing a Master of Science degree in Software Engineering at California State University, Sacramento. As of now, she has completed the course work for her degree program and is working on her master's project which she plans to complete in . She is interested in obtaining practical experience to enhance her degree and would, therefore, like to apply for an optional practical training permit in the United States.

I endorse her application for such a permit. This type of internship will greatly complement and enhance the formal education she is receiving in our program and will help establish her future career goals.
