2025-2026

## ABOUT HLP

The Hornet Leadership Program (HLP) provides ECS students with opportunities to develop leadership and career-ready skills beyond the classroom.

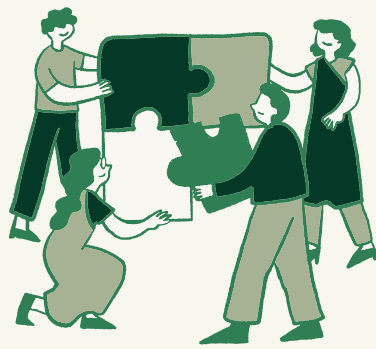

## HLP LEADERS

Each year, 96 ECS students are selected as HLP Leaders, representing all six majors across two cohorts. The program is designed for sophomores and juniors in good academic standing.

## SEMINARS & WORKSHOPS

Students choose from a variety of in-person and virtual sessions focused on leadership, professional growth, wellness, and personal development.

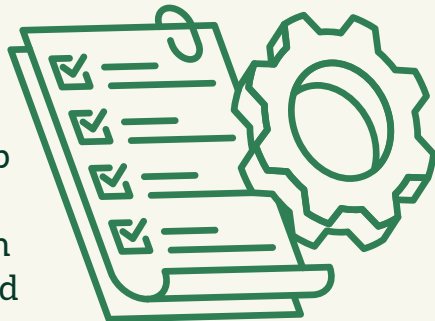

## LEADERSHIP SERVICE HOURS

Students complete leadership-related activities both on campus and in the community, gaining hands-on experience and building important skills.

## REQUIREMENTS

HLP is for sophomore and junior ECS students in good academic standing. Each semester, students complete 10 seminars/workshops and 10 leadership service hours.

To receive credit, students attend and participate in seminars, check in, complete a short evaluation, and submit a brief reflection on key takeaways.
