Dear Dr Pieretti,

On behalf of the Research & Creative Activity Subcommittee, I would like to congratulate you on your nomination for the 2015-2016 University Award for Research, Scholarship, and Creative Activity for Early-Career Faculty. The Subcommittee was very impressed with your scholarly achievements and significant impacts in your field.

The Subcommittee received nominations from a highly distinguished group of faculty colleagues for this year's Early-Career Faculty Award. Given the extraordinary achievements of this year's nominees across markedly different disciplines, the Subcommittee had an especially difficult time selecting a single recipient for the Award.

After a thorough review of the nominees' files, interviews with the nominators, reference checks, and thoughtful discussion of the nominees' achievements and impacts, the Subcommittee selected Dr. Nikolaus Lazaridis, Associate Professor of History, as recipient of this year's Early-Career Award. Dr. Lazaridis has an exceptionally strong and distinguished record of scholarship in the field of Egyptology and Egyptian literature.

Again, we congratulate you on your nomination for the Early-Career Faculty Award. Your nomination reflects your outstanding credentials and the remarkable achievements you have made here at Sacramento State, and these are truly impressive and highly valued. On behalf of the Subcommittee, I sincerely hope that we will have an opportunity to consider your nomination again in the future.

A copy of this letter is attached as a pdf for your records.

Best regards,
Jim
