

California State University, Sacramento
Department of Communication Sciences and Disorders
Performance Improvement Plan (PIP): Audiology
XXX Clinic/Semester

Student Clinician (SC): XXX

Clinical Instructor (CI): XXX

Purpose of PIP: To support the student clinician in successful completion of CSAD 6XXC Audiology Clinic X.

Outcome of PIP: The level of progress towards goals listed below will affect final competency scores, which will determine the final course grade. As stated in the clinic syllabus:

A passing grade for each clinic is a B or higher. A passing grade is obtained by achieving a rating of 4.15 or better on the average combined score of the 7 general competency categories, provided that the student achieves; (a) an average rating of 4.15 or better for each of the 7 general competency categories and (b) a minimum score of 3.0 on all individual competency line items and (c) a pass on all 4 essential professional behavior line items.

Therefore, any student receiving (a) a rating of 2.99 or less on any one (or more) specific line item or (b) a rating of 4.14 or less for a competency category or (c) a rating of fail on any of the 4 essential professional behavior line items will not pass the clinic, even if their average combined score of the 7 general competency categories is a B or higher. In such cases, a grade of B- will be given for the clinic.

Competency-Related Performance Improvement Goals

Competency			
Goal	The SC will XXX		
CI will be available by email, phone or in-person to answer all SC's questions and concerns as SC prepares for biweekly sessions.
