

California State University, Sacramento
 Department of Communication Sciences and
 Disorders

UNDERGRADUATE SYLLABUS & COURSE OUTLINE

Semester/Year: Spring 2020	Course: CSAD 199 NeuroService Alliance (NSA)	Section: 02, #35549 03, #32349
Meeting Days: Monday, Section #02 Thursday, Section #03	Meeting Times: 9:00 – 11:00 a.m. – Section #02 2:00 – 04:00 pm. – Section #03	Location: Folsom Hall, Maryjane Rees Clinic LSH Center 2 nd Floor, #2202 NeuroService Alliance Lab
Instructor: Dr. Darla K. Hagge, CCC-SLP	Email: hagge@csus.edu	Phone: 916-278-6695 – office 714/749-2799 – cell [preferred, if time sensitive]
Renee Garner M.S., CCC-SLP	renee.garner@csus.edu	TBA
Office Location: Hagge Folsom Hall, CSAD Depart. Office #2405	Office Hours/Appointments: Hagge Tuesdays, 1:30 – 4:00 p.m. By appointment, please contact department front desk	
Garner TBA	Garner TBA	

Catalogue Course Description:

CSAD 199, Sections #2 and #3. NeuroService Alliance.

1 Unit

Prerequisite(s): Admittance to university; student with a declared major in Communication Sciences & Disorders, and is in good standing in the Department of Communication Sciences & Disorders

Term Typically Offered: Fall, Spring

A passing grade in this course means that you have completed **pre-clinical training** that supports the following KASA competencies: IV-C (Communication modalities), IV-D (Cognitive aspects of communication, Communication modalities), and IV-G (Cognitive aspects of communication, and Social Aspects of communication, Communication modalities).

Place of Course in Program

NeuroService Alliance (NeuroSA) is a collection of programs that offer a variety of experiential, interprofessional learning electives that are placed in the curriculum at the undergraduate level as a means to learn and experience the biological, acoustic, psychological, neurogenic, linguistic, and cultural bases related to acquired neurogenic communicative disorders. Students participate as trained communication partners for adults who benefit from augmented input and other supportive conversation techniques in a variety of group activities.

Participation in NeuroSA provides students with an interprofessional, experiential learning experience. All students are provided with an e-copy of the NeuroService Alliance Student Manual and expected to follow policy and procedures. Available NeuroSA programs may vary from semester to semester, and include Communication Recovery Groups-Sacramento (CRG-SAC), Vocally Devoted (VoD), Communicating Through Art (CTA), Aphasia Book Club (ABC; *available during the spring semesters only*), Film & Photo Fun, Creating Access Through Technology (CTA), Peer-Led Family Education and Training Group, AActive Talkers, and Keeping It Loud and Clear.

Sacramento State Baccalaureate Learning Goals for the 21st Century (BLG)	Addressed by this course (Y/N)
Competence in the Disciplines: <i>The ability to demonstrate the competencies and values listed below in at least one major field of study and to demonstrate informed understandings of other fields, drawing on the knowledge and skills of disciplines outside the major.</i>	Y
Knowledge of Human Cultures and the Physical and Natural World <i>through study in the sciences and mathematics, social sciences, humanities, histories, languages, and the arts. Focused by engagement with big questions, contemporary and enduring.</i>	Y
Intellectual and Practical Skills, Including: <i>inquiry and analysis, critical, philosophical, and creative thinking, written and oral communication, quantitative literacy, information literacy, teamwork and problem solving, practiced extensively, across the curriculum, in the context of progressively more challenging problems, projects, and standards for performance.</i>	Y
Personal and Social Responsibility, Including: <i>civic knowledge and engagement—local and global, intercultural knowledge and competence*, ethical reasoning and action, foundations and skills for lifelong learning anchored through active involvement with diverse communities and real-world challenges</i>	Y
Integrative Learning**, Including: <i>synthesis and advanced accomplishment across general and specialized studies</i>	Y

Course Learning Outcomes:

UNDERGRADUATE

Mastery of each student-learning outcome listed below is indicated by a grade of C or better on each component of the corresponding measures listed in the table. Students are required to track their progress towards meeting each learning outcome and must make an appointment with the instructor for any grade equal to or less than a C. The instructor will suggest strategies to help you establish competence and knowledge in these areas. Students should track their progress towards meeting each learning outcome by listing their grades on the table below over the course of the semester.

CSAD 199 Sections 2 & 3 SPECIFIC STUDENT LEARNING OUTCOMES:

1. Student will serve as a trained communication partner for persons with acquired communication disorders and/or other concomitant disorders (e.g., apraxia of speech, cognitive deficits, progressive disorders, etc) in a variety of programs.
2. Student will describe the history of persons with disabilities in Western Civilization.
3. Student will compare and contrast the difference between the medical model and social model approaches to disability.
4. Student will discuss the Life Participation Approach (LPAA) for persons with acquired communication disorders.
5. Student will identify the difference between formal, traditional speech-language therapy and an LPAA approach to services.
6. Student will collaborate and communicate effectively with persons with acquired communication disorders and their loved ones, student peers, professionals and department staff.
7. Student will consistently demonstrate learned professional behaviors.
8. Student will demonstrate pre-clinical critical thinking skills that are related but not limited to leadership skills, real-time problem solving and decision making abilities, understanding which CPT techniques to use, emerging ability to identify differences between aphasia, apraxia of speech, dysarthria and cognitive deficits.
9. Student will identify and comply with HIPAA requirements.
10. Student will identify the WHO's ICF, SLP scope of practice and ethics.
11. Student will describe aphasia and its impact on all those who are living with the acquired communication disorder.

Course Requirements/Components:

A. STUDENT EXPECTATIONS:

The student is responsible for the following:

1. **Completing and passing** the NeuroService Alliance Communication Partner Training (CPT) for Persons with aphasia and other acquired neurogenic communication disorders by the assigned due date.
2. **Preparing for and participating** in weekly 1.0 group meetings including age- and culturally-appropriate conversations and activities related to conversations, current events, technology, and/or a student-requested project. Only medically-documented absences are considered excused.
3. **Participating collaboratively with weekly room set- and clean-up** (e.g., approximately 15 minutes before and after the group meeting).
4. **Writing and submitting** two (2) hard copy reflective essays to instructor.

5. **Completion and clearance** of a mandatory background check. The instructions are posted on the Department Website at: <https://www.csus.edu/college/health-human-services/communication-sciences-disorders/internal/documents/castlebranch-cm24pif.pdf>

If a student has previously obtained this background check clearance, there is no need to obtain a second background check. Instead, he/she may submit a copy of his/her original clearance to the instructor. Note: This is a departmental requirement.

B. COURSE POLICIES AND SCHEDULE:

Students will participate in NeuroService Alliance program(s) for approximately 2.0-2.5 hours per week, including formal training meetings during the first two weeks of the semester and weekly room set- and clean-up. Please note that there are no meetings during any University-recognized holiday, spring break, dead week, or finals week. As previously mentioned, only excused absences are acceptable and require documentation from a doctor. For additional questions regarding policy and procedures, students should refer to the NeuroService Student Handbook (available on Canvas).

Grading Policy:

Student grades are based on the successful completion of student expectations and on-time submission of assignments. See Methods of Evaluation table, below:

This section intentionally left blank.

Methods of Evaluation

LOC	Assignment	Point Value	Date Scheduled
#1	<p style="text-align: center;">Communication Partner Training (CPT) Online Training Modules</p> <p>Self directed independent training modules with subsequent quiz questions using a scantron. Please submit scantron to Dr. Hagge's campus mailbox by the due date. (Specific instructions are posted on Canvas)</p>	120	Due Date: 1/31/2020 5:00 p.m.
#2 & #3	<p style="text-align: center;">Attendance/Weekly participation Room Set- and Clean-up</p> <p style="text-align: center;"><i>Note: Students are required to locate and sign the weekly roster each week!! Failure to do so may result in lost attendance points.</i></p> <p style="text-align: center;"><i>If a meeting is cancelled due to a holiday or other reason, points will be automatically assigned to each student.</i></p>	<p>280 (14 meetings x 10 points)</p> <p>4 training meetings</p> <p>+ 10 member meetings</p>	Each weekly meeting, including two mandatory training meetings (first two weeks of the semester)
#4	<p style="text-align: center;">2 Reflective Essays</p> <p style="text-align: center;"><i>(Students should review the grading rubric available on Canvas for specific format, content and hard copy submission instructions.)</i></p>	200 (2 essays x 100 points)	Due Dates: 4/17/2020 5/1/2020
#5	<p style="text-align: center;">Background Check</p> <p>Completion, clearance and hard copy submission to instructor http://www.csus.edu/hhs/csad/resources/background-checks.html</p>	100	Due Date: 1/31/2020
	Total possible points	700	

Letter grades are assigned according to the following scores:

100-96%	A
95-90%	A-
89-87%	B+
86-83%	B
82-80%	B-
79-77%	C+
76-73%	C
72-70%	C-
69-67%	D+
66-63%	D
62-60%	D-
Below 60%	F

Additional Information

Commitment to Integrity:

As a student in this course (and at this university) you are expected to maintain high degrees of professionalism, commitment to active learning and participation in this class and also integrity in your behavior in and out of the classroom.

Sac State's Academic Honesty Policy & Procedures:

“The principles of truth and honesty are recognized as fundamental to a community of scholars and teachers. California State University, Sacramento expects that both faculty and students will honor these principles, and in so doing, will protect the integrity of academic work and student grades.” Read more about Sac State's Academic Honesty Policy & Procedures at the following website: <http://www.csus.edu/umannual/student/stu-0100.htm>

Definitions: At Sac State, “cheating is the act of obtaining or attempting to obtain credit for academic work through the use of any dishonest, deceptive, or fraudulent means.” **Plagiarism** is a form of cheating. At Sac State, “plagiarism is the use of distinctive ideas or works belonging to another person without providing adequate acknowledgement of that person's contribution.” Source: Sacramento State University Library **Note: Any form of academic dishonesty, including cheating and plagiarism, may be reported to the office of student affairs.**

Understand When You May Drop This Course:

It is the student's responsibility to understand when he/she need to consider disenrolling from a course. Refer to the Sac State Course Schedule for dates and deadlines for registration. After this period, a serious and compelling reason is required to drop from the course. Serious and compelling reasons include: (a) documented and significant change in work hours, leaving student unable to attend class, or (b) documented and severe physical/mental illness/injury to the student or student's family. Under emergency/special circumstances, students may petition for an incomplete grade. An incomplete will only be assigned if there is a compelling extenuating circumstance. All incomplete course assignments must be completed by the department's policy.

Equal Access:

California State University-Sacramento, Department of Communication Sciences and Disorders, seeks to provide equal access to its programs, services, and activities for people with disabilities. If you have a documented disability and verification from the Office of Services to Students with Disabilities (SSWD), and wish to discuss academic accommodations, please contact your instructor as soon as possible. It is the student's responsibility to provide documentation of disability to SSWD and meet with a SSWD counselor to request special accommodation before classes start. **Sacramento State Services to Students with Disabilities (SSWD)** offers a wide range of support services and accommodations for students in order to ensure students with disabilities have equal access and opportunity to pursue their educational goals. Working collaboratively with students, faculty, staff and administrators, SSWD provides consultation and serves as the information resource on disability related issues to the campus community. SSWD is located in Lassen Hall 1008 and can be contacted by phone at (916) 278-6955 (Voice) or (916) 278-7239 (TDD only) or via email at sswd@csus.edu.

Basic Needs Support

If you are experiencing challenges in the area of food and/or stable housing, help is just a click, email or phone call away! Sacramento State offers basic needs support for students who are experiencing challenges in these areas. Please visit our Basic Needs website to learn more about your options and resources available.

Knowledge And Skills Acquisition (KASA) For Certification in Speech-Language Pathology

CSAD 199, Sections #2 and #3 – NeuroService Alliance Aphasia Groups

This course has been designed to be in direct support of the following American Speech-Language Hearing Association (ASHA) 2020 Knowledge and Skills Acquisition for certification in Speech-Language Pathology:

Standard IV-C: Speech, Language, Hearing, Communication, and Swallowing Disorders and Differences

- Speech sound production, to encompass articulation, motor planning and execution, phonology, and accent modification
- Receptive and expressive language, including phonology, morphology, syntax, semantics, pragmatics (language use and social aspects of communication), prelinguistic communication, paralinguistic communication (e.g., gestures, signs, body language), and literacy in speaking, listening, reading, and writing
- Hearing, including the impact on speech and language
- Cognitive aspects of communication, including attention, memory, sequencing, problem solving, and executive functioning
- Social aspects of communication, including challenging behavior, ineffective social skills, and lack of communication opportunities
- Augmentative and alternative communication modalities

Standard IV-D: Prevention, Assessment, and Intervention

- For each of the areas specified in Standard IV-C (above), the student will demonstrate current knowledge of the principles and methods of prevention, assessment, and intervention for persons with communication and swallowing disorders, including consideration of anatomical/physiological, psychological, developmental, and linguistic and cultural correlates.

Standard IV-B: Basic Human Communication Processes

- The student will demonstrate knowledge of basic human communication and swallowing processes, including the appropriate biological, neurological, acoustic, psychological, developmental, and linguistic and cultural bases. The student will demonstrate the ability to integrate information pertaining to normal and abnormal human development across the life span.
