

California State University, Sacramento

Department of Communication Sciences and Disorders

Undergraduate Syllabus & Course Outline

Semester/Year: Fall 2026	Course: CSAD 142 Topics in Autism Spectrum Disorders	Section: 02
Meeting Days: Thursday	Meeting Times: 12:00pm-1:50pm	Location: FLS 1050
Instructor: Lisa Harada, M.S., CCC-SLP, ASDCS	Email: lisa.harada@csus.edu	Office Hours/Appointments: TBD

Prerequisite(s): CSAD 112, CSAD 125, PSYC 2, STAT 1, CHDV 30, and DEAF 51.

Catalogue Course Description:

CSAD 142. Topics in Autism Spectrum Disorders.

2 Units

Detailed look at characteristics of autism spectrum disorders (including Asperger's Syndrome, PDD-NOS and Autism). Issues related to diagnosis/assessment, early intervention, school-based intervention, functional therapeutic techniques and theories, and current "hot topics" in Autism (Theory of Mind, joint attention, biomedical issues, dietary restrictions, sensory regulation and intervention paradigms) will be a part of this course.

Place of Course in Program: Typically Fall of senior year

*This course will focus on Autism Spectrum Disorder/Difference characteristics (ASD). Topics related to assessment and support needs for the ASD population will also be discussed.

<u>Sacramento State Baccalaureate Learning Goals for the 21st Century (BLG)</u>	Addressed (Y/N)
Competence in the Disciplines: <i>The ability to demonstrate the competencies and values listed below in at least one major field of study and to demonstrate informed understandings of other fields, drawing on the knowledge and skills of disciplines outside the major.</i>	Y
Knowledge of Human Cultures and the Physical and Natural World <i>through study in the sciences and mathematics, social sciences, humanities, histories, languages, and the arts. Focused by engagement with big questions, contemporary and enduring.</i>	Y
Intellectual and Practical Skills Including: <i>inquiry and analysis, critical, philosophical, and creative thinking, written and oral communication, quantitative literacy, information literacy, teamwork and problem solving, practiced extensively, across the curriculum, in the context of progressively more challenging problems, projects, and standards for performance.</i>	Y
Personal and Social Responsibility Including: <i>civic knowledge and engagement—local and global, intercultural knowledge and competence*, ethical reasoning and action, foundations and skills for lifelong learning anchored through active involvement with diverse communities and real-world challenges</i>	Y
Integrative Learning**, Including: <i>synthesis and advanced accomplishment across general and specialized studies</i>	Y

Course Learning Outcomes:

UNDERGRADUATE

Mastery of each student-learning outcome listed below is indicated by a grade of C or better on each component of the corresponding measures listed in the table. Students are required to track their progress towards meeting each learning outcome and must make an appointment with the instructor for any grade equal to or less than a C. The instructor will suggest strategies to help you establish competence and knowledge in these areas.

Students should track their progress towards meeting each learning outcome by listing their grades on the table below over the course of the semester.

CSAD 142 SPECIFIC STUDENT LEARNING OUTCOMES:

1. Explain the DSM-V criteria for Autism; provide awareness of and differential understanding of diagnosis of other cooccurring neurodevelopmental disabilities (e.g., ADHD, IDD, PDA)
2. Compare and contrast autism through DSM-V (medical model) vs. BAPCO-DMAP (social model)
3. Explain the involvement/intersectionality of disciplines
4. Develop lesson plans based on evidence-based early support strategies for autistic children
5. Develop social communication competencies and support strategies for school-aged autistic children
6. Develop a behavior support plan including replacement behaviors for an autistic child
7. Discuss autistic adult outcomes; develop a transition plan for a young autistic adult
8. Discuss current topics and controversies relating to autism

Learning Outcomes Competencies: (CSAD 142): Mastery of each student learning outcome listed below is indicated by a grade of C or better on each component of the corresponding measures listed in the table. Students are required to track their progress towards meeting each learning outcome and must make an appointment with the instructor for any grade equal to or less than a C. The instructor will suggest strategies to help you establish competence and knowledge in these areas.

Students should track their progress towards meeting each learning outcome by listing their grades on the table below over the course of the semester.

Course Learning Outcome	Components Indicating Competence	Grades Received
1	Assignment 1	
2	Annotation 1	
3	Assignment 2	
4	Assignment 4	
5	Assignment 5	
6	Assignment 6	
7	Assignment 3	

Textbooks and Materials:

There is no textbook required. All course materials and readings (research articles and policy documents, as well as recommended reading/resources) are provided on [Canvas](#).

Grading Policy:

Homework Assignments (6)	20 points each = 120 points total
Annotation Assignments (8)	20 points each = 160 points total

Grading Scale:

Letter grades are assigned according to the following scores:

	A 95-100%	A- 90-94%
B+ 88-89%	B 83-87%	B- 80-82%
C+ 78-79%	C 73-77%	C- 70-72%
D+ 68-69%	D 63-67%	D- 60-62%
	F Below 60%	

***Incomplete grades:** An incomplete may be given only if a student has passed the first half of the course and provides evidence of a documented illness or family crisis, which the professor deems genuinely precludes successful completion of the course.

Course Policies/Procedures:

Attendance

Attendance in all lectures is expected, but lecture is not graded. Please make every effort to attend each class section. Students are responsible for all material covered in class. If you need to miss class, please get a copy of the notes from a classmate.

Audio-Recording

Students may audio-record lectures for their own personal use as a study tool. Audio-recording devices must be placed at the front of the classroom for the duration of the lecture. Non-lecture activities (such as lab activities or reviewing tests) may not be recorded. Students **may not** post recordings to any online platform (e.g., Google Drive) or share via electronic means (e.g., Slack, Discord). If students are found to have posted recordings online, this will be considered a violation of the Hornet Honor Code and students will be referred to the Conduct Council.

Late Assignments

All reflection assignments will be turned in via [Canvas](#). Assignments will be accepted late with a penalty of two points per day late (10%). Assignments will not be accepted after 10 days (score of 0).

Office Hours Policies

Office hours may take place in-person and/or virtually (Zoom) as requested. Day/Time for in-person office hours will be determined during the first class of the semester. Office hours will be on a “drop-in” format, where multiple individuals may be accommodated. If you need an individualized day/time to meet, please email me via lisa.harada@csus.edu

Letters of Reference

Please reach out to me regarding letters of reference for graduate school and/or scholarship programs.

Commitment to a Safe Learning Environment

I am committed to each student's success in learning within a caring, responsive, and safe environment that is free of discrimination, violence, and bullying. Our program works to ensure that all students have the opportunity and support to develop to their fullest potential and share a personal and meaningful bond with peers and faculty within the program. Please don't be a bystander to acts of harassment, discrimination, or hatred.

Land Acknowledgment

We are mindful in acknowledging that the land that Sacramento State is located on was, and continues to be, sacred to the indigenous people of this area: the Miwok, Maidu, and Nisenan.

Additional Information

Commitment to Integrity:

As a student in this course (and at this university) you are expected to maintain high degrees of professionalism, commitment to active learning and participation in this class and also integrity in your behavior in and out of the classroom.

Sac State's Academic Honesty Policy & Procedures:

"The principles of truth and honesty are recognized as fundamental to a community of scholars and teachers. California State University, Sacramento expects that both faculty and students will honor these principles, and in so doing, will protect the integrity of academic work and student grades." Read more about Sac State's Academic Honesty Policy & Procedures at the following website: <http://www.csus.edu/umannual/student/stu-0100.htm>

Definitions: At Sac State, "cheating is the act of obtaining or attempting to obtain credit for academic work through the use of any dishonest, deceptive, or fraudulent means."

Plagiarism is a form of cheating. At Sac State, "plagiarism is the use of distinctive ideas or works belonging to another person without providing adequate acknowledgement of that person's contribution." **The use of artificial intelligence, including ChatGPT, without attribution is considered plagiarism.**

Note: Any form of academic dishonesty, including cheating and plagiarism, shall be reported to the [Office of Student Conduct](#).

Department Policy on Use of APA Format:

The Department of Communication Sciences and Disorders requires the use of the APA format and style. All students are required to reference the APA manual. All assignments are to be composed using APA format and style unless otherwise noted.

Understand When You May Drop This Course:

It is the student's responsibility to understand when he/she need to consider disenrolling from a course. Refer to the Sac State Course Schedule for dates and deadlines for registration. After this period, a serious and compelling reason is required to drop from the course. Serious and compelling reasons include: (a) documented and significant change in work hours, leaving student unable to attend class, or (b) documented and severe physical/mental illness/injury to the student or student's family. Under emergency/special circumstances, students may petition for an incomplete grade. An incomplete will only be assigned if there is a compelling extenuating circumstance. All incomplete course assignments must be completed by the department's policy.

Inclusivity:

Students in this class are encouraged to be active participants in all aspects of the course, including but not limited to lectures, synchronous and asynchronous activities, discussion posts, etc. Each of us must show respect for each other, as our class represents a diversity of beliefs, backgrounds, and experiences. This enriches all of our learning experiences together. Our individual differences deepen our understanding of one another and the world around us, rather than divide us. In this class, people of all ethnicities, genders and gender identities, religions, ages, sexual orientations, disabilities, socioeconomic backgrounds, regions, and nationalities are strongly encouraged to share their rich array of perspectives and experiences. If you feel your differences may in some way isolate you from our classroom community, or if you have a specific need, please contact the instructor early in the semester. Your instructor will work with you to ensure that you become an active and engaged member of our class and community.

Equal Access:

California State University-Sacramento, Department of Communication Sciences and Disorders, seeks to provide equal access to its programs, services, and activities for people with disabilities. If you have a documented disability

and verification from the Disability Access Center (DAC), and wish to discuss academic accommodations, please contact your instructor as soon as possible. It is the student's responsibility to provide documentation of disability to DAC and meet with a DAC counselor to request special accommodation before classes start. **Sacramento State Disability Access Center (DAC)** offers a wide range of support services and accommodations for students in order to ensure students with disabilities have equal access and opportunity to pursue their educational goals.

Working collaboratively with students, faculty, staff and administrators, DAC provides consultation and serves as the information resource on disability related issues to the campus community. DAC is located in Lassen Hall 1008 and can be contacted by phone at (916) 278-6955 (Voice) or (916) 278-7239 (TDD only) or via email at dac@csus.edu.

Religious Observance Policy:

No student should ever have to choose between important religious observances and academic commitments. Students who wish to participate in religious observances that conflict with other obligations should proactively make arrangements with their instructors and coaches to do so. Instructors are encouraged to accommodate students' planned absence for religious observances with respect to tests, examinations, graded assignments, deadlines, or class participation.

Title IX

The University requires faculty and staff to report any personal disclosures of sexual misconduct including rape, dating/domestic violence and stalking to the Title IX Coordinator. Students who do not wish to report their experience to me or the Title IX Coordinator may speak to someone confidentially by contacting Student Health and Counseling Services.

Sac State is committed to supporting students and fostering a campus environment free of sexual misconduct and gender-based discrimination. If a student chooses to disclose to a faculty or staff member an experience related to sexual misconduct which includes rape, relationship violence, or stalking, all faculty and staff are obligated to report this disclosure to the university's Title IX Coordinator. Sac State's Title IX Coordinator is William "Skip" Bishop. Please email equalopportunity@csus.edu or (916) 278-5770. Upon receipt of the report, the Title IX Coordinator will contact you to inform you of your rights and options as a survivor and connect you with support resources, including resolution options for holding accountable the person who harmed you. Students who elect not to discuss their experience with the Title IX Coordinator can speak confidentially to the following confidential resources:

Student Health & Counseling Services at The WELL On Campus

Phone Number: 916-278-6461

Website: www.csus.edu/shcs

[Campus Confidential Advocate](#) – Laura Swartzen

Email: weave@csus.edu

On Campus Phone Number: 916-278-5850 (during business hours)

WEAVE 24/7 Hotline: 916-920-2952

Basic Needs Support

If you are experiencing challenges with food, housing, financial or other unique circumstances that are impacting your education, help is available. The CARES office provides case management support for any enrolled student. Email the CARES office at cares@csus.edu to speak with a case manager about the resources available to you. Check out the [CARES website](#).

Knowledge And Skills Acquisition (KASA) For Certification in Speech-Language Pathology

CSAD 142: Topics in Autism Spectrum Disorders

This course has been designed to be in direct support of the following American Speech-Language Hearing Association (ASHA) 2017 Knowledge and Skills Acquisition for certification in Speech-Language Pathology:

Standard IV-C: Speech, Language, Hearing, Communication, and Swallowing Disorders and Differences

- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: receptive and expressive language disorders (phonology, morphology, syntax, semantics, pragmatics, prelinguistic communication, and paralinguistic communication) in speaking, listening, reading, writing, and manual modalities (including the etiologies, characteristics, and anatomical physiological, acoustic, psychological, developmental, linguistic, and cultural correlates.)
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: cognitive aspects of communication (e.g., attention, memory, sequencing, problem solving, and executive functioning), including the etiologies, characteristics, and anatomical physiological, acoustic, psychological, developmental, linguistic, and cultural correlates.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: social aspects of communication (e.g., behavioral and social skills affecting communication), including the etiologies, characteristics, and anatomical physiological, acoustic, psychological, developmental, linguistic, and cultural correlates.

Standard IV-D: Prevention, Assessment, and Intervention

- The student will demonstrate the ability to analyze, synthesize, and evaluate knowledge re: the principles and methods of prevention, assessment, and intervention regarding receptive and expressive language (phonology, morphology, syntax, semantics, pragmatics, prelinguistic communication, and paralinguistic communication) in speaking, listening, reading, writing, and manual modalities.
- The student will demonstrate the ability to analyze, synthesize, and evaluate knowledge re: the principles and methods of prevention, assessment, and intervention regarding cognitive aspects of communication (e.g., attention, memory, sequencing, problem solving, and executive functioning).
- The student will demonstrate the ability to analyze, synthesize, and evaluate knowledge re: the principles and methods of prevention, assessment, and intervention regarding social aspects of communication (e.g., behavioral and social skills affecting communication).

Standard IV-B: Basic Human Communication Processes

- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: biological bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: neurological bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: psychological bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: developmental/lifespan bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: linguistic bases of human communication.
