CSUS Department of Communication Sciences and Disorders (CSAD)
Timeline to Success!

Student
(1) Confirm 375 clinical clock hours have been documented on CALIPSO. (2) Facilitate the completion of steps (a) and (b), below. (3) Complete step (c), below.

(a) CONFIRM: onsite supervisor submits final student evaluation and confirms clinical clock hours in CALIPSO.

(b) Onsite supervisor (or student) emails university liaison, grad coordinator and clinic director indicating that the student has successfully completed internship and has submitted final student evaluation & confirmed hours. Confirm final internship date.

(c) Student completes site and supervisor e-surveys through CALIPSO (*n*=2)

Email graduate coordinator and clinic director that all steps are completed, if not communicate during above steps!!

Clinic Director

Confirm Documentation:
*All internship competencies "passed"
*All internship clock hours received:
*Approximate 100 clinical clock hours in the public school internship,
*A minimum of ~150 internship clock hours total,
***375** minimum total clinical clock hours earned

Confirm:
"Student Clinical File is Complete."
Emails status to Chair and Graduate Coordinator

Department Chair

Graduate Coordinator

*Confirm student has completed all surveys on CALIPSO
…If so….
*Notifies OGS to begin degree conferral process
*Signs internship "grade change" form & submits to Registrar's Office

Notifies Student of Process by email

Student

Student:
(a) Completes Department Chair's form for CA license RPE, CA Credential, & ASHA CCC/CF verification, and (b) Follows all of Department Chair's instructions.

Reminder to Students: Applicants whose Clinical Fellowship report is not reported to ASHA within 90 days after the 48-month timeframe will have their application closed. See: https://www.asha.org/certification/2020-slp-certification-standards/ See "Standard VII: Speech-Language Pathology Clinical Fellowship

End of Final Internship ——————————————————————→ Completed!
