### Catalogue Course Description:

**CSAD 229A. Practice: Speech Disorders I.** 2 Units

**Prerequisite(s):** Instructor permission

**Corequisite(s):** CSAD 228A

**Term Typically Offered:** Fall, Spring

Supervised clinical practice emphasizing articulation and phonological disorders, and phonological difficulties associated with English as a second language (ESL). Clients may include both children and adults.

### Other Requirements
1. GPA in prerequisite speech pathology courses of 3.00 or better.
2. Grades of C or better in all courses taken in the major.
3. Be concurrently enrolled in CSAD 228A.
4. Passing of speech and language screening required by department.
5. Department Background Check.
6. Completion of a TB test and the three-shot Hepatitis (HBV) series of vaccinations.
Sacramento State Graduate Learning Goals (GLG) | Addressed by this course (Y/N)
---|---
Disciplinary knowledge: Master, integrate, and apply disciplinary knowledge and skills to current, practical, and important contexts and situations. | Y
Communication: Communicate key knowledge with clarity and purpose both within the discipline and in broader contexts. | Y
Critical thinking/analysis: Demonstrate the ability to be creative, analytical, and critical thinkers. | Y
Information literacy: Demonstrate the ability to obtain, assess, and analyze information from a myriad of sources. | Y
Professionalism: Demonstrate an understanding of professional integrity. | Y
Intercultural/Global Perspectives: Demonstrate relevant knowledge and application of intercultural and/or global perspectives. | Y

Course Learning Outcomes:

Upon completion of this course, students will demonstrate clinical competency in the following areas when working with clients exhibiting speech sound disorders (including residual speech sound errors, phonological disorders, childhood apraxia of speech, speech errors secondary to compensatory strategies s/p cleft palate repair, etc) and when working with clients seeking elective accent modification services, in the areas of:

1. Evaluation
2. Intervention
3. Writing
4. Interaction and Personal Qualities (Professional Behavior)

Textbooks and Materials:

There are no required textbooks for this course. CIs will assign reading material either from articles available through the library, ASHA resources, the textbooks available in the CI room, or will provide the reading material to the student directly.

Online Resources:

There are no required online resources for this class, but students will be required to check their Sacramento State email daily.
Course Requirements/Components:

**Students are expected to:**

1. Demonstrate knowledge of **typical developmental milestones** from birth to 22.
2. Demonstrate knowledge of speech/language development/disorders across the range of disabilities and in special populations as designated in this clinic.
3. Design, plan, and carry out speech/language **assessments** using:
   a. Standardized measures
   b. Non-standardized measures (i.e. speech/language samples)
   c. Case history including interviews and review of client files.
4. Interpret and apply assessment information to design a **treatment program**, including:
   a. Baselining
   b. Goal-setting
   c. Choosing appropriate intervention techniques re: client and goals.
5. Discuss assessment findings and treatment programming with client/caregiver with special attention to culturally and linguistically diverse (CLD) client profiles.
6. Implement the treatment plan, including:
   a. Developing daily objectives/lesson plans to achieve goals
   b. Collecting data in a structured and organized manner
   c. Developing and maintaining positive rapport with client
   d. Effectively using behavioral intervention strategies as needed.
7. Maintain professional and ethical behaviors with the client, caregiver, other professionals and paraprofessionals, and clinical instructor.
8. Write clear, concise, and clinically accurate **initial case (ICR) and final case (FCR) reports**, implementing feedback from clinical instructors.
9. Attend weekly conferences with the assigned clinical instructor.
10. **Complete a minimum of 30 total hours of client contact**, including at least 4 hours in assessment.

**Written Assignments:**

All students are required to complete daily paperwork for each session, lesson plans/SOAP notes in accordance to individual CI due dates, the initial case report, and the final case report. In some circumstances, students will also be expected to prepare additional documents, such as providing session data in tables, or writing referrals to other providers.

**In-Session Observation:**

All students are supported at a minimum of a 1:4 instructor:student ratio. The CI will provide written feedback on every session, which the student is to read and respond to. In addition, the CI will provide oral feedback before, during, and/or after sessions. The CI may enter clinical sessions in order to model a technique or to facilitate a discussion.

**Midterm and Final Competencies:**

Students will be provided with a current grade in the course twice during the semester. Midterm and final competency ratings cover the four areas of clinical practice and are completed in the CALIPSO software. Midterm competencies ratings are used to provide students with feedback using a graded standard. **Your final competencies will be your semester grade, not an average of the two ratings.**
Meetings with Clinical Instructors:
Students are expected to attend all meetings with CI, arriving prepared and ready to discuss clients. It is inappropriate for students to be late, unprepared, to have failed to read assigned materials, or to have failed to turn in assigned activities or assignments. Students have the right to request individual meetings or additional meetings with their CIs.

Hours Log:
Students are expected to maintain their own log of hours, to be signed by the CI. If you do not believe you are on track to complete the required hours for this clinic, please speak to both your clinical instructor and Jeannette Reiff, MS, CCC-SLP, Clinic Director.

Grading Policy:
A passing grade for clinic performance is based on the Final Clinical Competency Form. You should review this form BEFORE clinic starts so that you aware of all items that will become part of your formative and summative assessment for this clinic. The Clinical Competency form will be completed by your clinical instructor at midterm and at final, but it is the final Clinical Competency Report on which your clinic grade is based. The Clinical Competency Form is separated into four (4) general competency categories: Writing, Assessment, Treatment, and Professional Behavior. Each general competency area consists of numerous individual line items.

A passing grade for each clinic is a B- or higher. A passing grade is obtained by achieving a rating of 4.0 or better on the average combined score of the 4 general competency categories, provided that the student achieves; (a) an average rating of 4.0 or better for each of the 4 general competency categories and (b) a minimum score of 3.0 on all individual competency line items. Therefore, any student receiving (a) a rating of 2.99 or less on any one (or more) specific line item or (b) a rating of 3.99 or less for a competency category will not pass the clinic, even if their average combined score of the 4 general competency categories is a B- or higher. In such cases, a grade of C+ will be given for the clinic.

Letter grades will be based upon the following:

<table>
<thead>
<tr>

Course Policies/Procedures:

General Course Policies

1. Attendance: Prompt attendance at clinic treatment sessions is required at all times. Any missed assessment or treatment sessions must be made up during the week between the end of clinic and finals week and with the approval of your clinical instructor. A clinical instructor must be supervising your sessions at all times.

2. Paperwork: Submission of the Initial Case Report, revised Initial Case Report, and Final Case Report are required. Failure to submit case reports in a timely fashion will result in failure of the Writing and/or Professional Behavior competencies. In addition, graduate clinicians are expected to submit weekly lesson plans, SOAP notes, and/or reflective journaling as indicated by the Clinic Coordinator and Clinical Instructors.

3. Clinical Instructors: Your clinical instructor and your therapy times have been assigned to you by the scheduling office. No change to your schedule may be made without the approval of the Clinic Coordinator. Your Clinical Instructors are required to meet with you on a weekly basis. Those meetings may be individual or group conferences to discuss clients and assessment/treatment plans. Attendance at these conferences is mandatory. If you have concerns that your clinical development is not being adequately addressed, you should first talk with your clinical instructor. If you remain concerned, speak with the Clinic Coordinator.
General Clinic Policies

1. Clinic Handbook: A Clinic Handbook will be provided to you at the start of the semester. You are responsible for following the policies and procedures described in the Clinic Handbook. You are expected to have read the clinic handbook prior to the first day of clinic.

2. Video Recordings: Video Recordings of clients MUST remain in the clinic. They may be downloaded to the “Speech 1” flashdrive ONLY for the purpose of class presentations. These recordings may not be taken home. A violation of this policy will result in the student receiving a failing grade in the clinic. Only the CORS system may be used for video recording. (Clinic Handbook pg. 18)

3. Audio Recordings: Audio Recordings of clients are allowed on personal devices with client permission and as long as they do not contain client protected health information (PHI), including names. Do not record entire sessions. Students may NOT record conferences with their clinical instructors without express permission. (Clinical Handbook pg. 18)

ASHA Code of Ethics Statement

As a future clinician, I expect you to follow the Sacramento State Commitment to Integrity (see Additional Information) as well as the American Speech Language Hearing Association (ASHA) Code of Ethics.

The four Principles of Ethics form the underlying philosophical basis for the Code of Ethics and are reflected in the following areas:

(I) responsibility to persons served professionally and to research participants, both human and animal;
(II) responsibility for one’s professional competence;
(III) responsibility to the public; and
(IV) responsibility for professional relationships.¹

</tr>
<tr>
<td><strong>WEEKS:</strong></td>
<td>The Student Will:</td>
</tr>
<tr>
<td><strong>WEEKS #1 and #2</strong></td>
<td>Clients assigned. Please read client file. Make appointment with clinic Clinical Instructor to plan first sessions and develop assessment plan. Set up weekly meetings. These may be conducted in group format at the discretion of the Clinical Instructor, but you, or your Clinical Instructor, may request an individual meeting at any time. Begin writing your initial case report following the provided template.</td>
</tr>
<tr>
<td><strong>WEEK #3 (first week of clinic)</strong></td>
<td>Submit Lesson Plans based on template provided. First week of clinic. Conduct parent/caregiver interview. Have the parent/caregiver (or client, in the case of accent modification clients) sign all required forms. Conduct assessments as appropriate. Prepare for and meet with Clinical Instructor.</td>
</tr>
<tr>
<td><strong>WEEK #4</strong></td>
<td>Submit Lesson Plans and/or SOAP Notes as indicated by clinical instructor. Conduct assessments as appropriate. Develop semester goals and objectives. Chart baseline behaviors as appropriate. Prepare for and meet with Clinical Instructor.</td>
</tr>
<tr>
<td><strong>WEEK #5</strong></td>
<td>Submit Lesson Plans and/or SOAP Notes as indicated by clinical instructor. Develop treatment plan with Clinical Instructor. Continue work on Initial Case Report. Prepare for and meet with Clinical Instructor.</td>
</tr>
<tr>
<td><strong>WEEK #6</strong></td>
<td>Submit Lesson Plans and/or SOAP Notes as indicated by clinical instructor. Develop treatment plan and begin therapy. Prepare for and meet with Clinical Instructor.</td>
</tr>
</tbody>
</table>
| WEEK #7 10/7/19 | Submit Lesson Plans and/or SOAP Notes as indicated by clinical instructor.  
| Continue therapy.  
| Prepare for and meet with Clinical Instructor.  
| Provide feedback on ICRs to allow students to revise and resubmit.  
| Provide supervision and written feedback. Instruct/model techniques as necessary.  
| Meet with student clinician.  
| Have a peer review your ICRs prior to submitting draft to your Clinical Instructor.  
| Submit second draft(s) of initial case report(s) this week.  
| Prepare for and meet with Clinical Instructor.  
| Provide supervision and written feedback. Instruct/model techniques as necessary.  
| Provide additional feedback on ICRs  
| Meet with student clinician to review mid-semester competencies |  

**MID-SEMESTER COMPETENCIES EVALUATION MEETING WITH CLINICALINSTRUCTOR DUE THIS WEEK**

| WEEK #8 | Submit Lesson Plans and/or SOAP Notes as indicated by clinical instructor.  
| Continue therapy.  
| Have a peer review your ICRs prior to submitting draft to your Clinical Instructor.  
| Submit second draft(s) of initial case report(s) this week.  
| Prepare for and meet with Clinical Instructor.  
| Provide supervision and written feedback. Instruct/model techniques as necessary.  
| Provide additional feedback on ICRs  
| Meet with student clinician to review mid-semester competencies |  

| WEEK #9 | Submit Lesson Plans and/or SOAP Notes as indicated by clinical instructor.  
| Continue therapy.  
| Prepare for and meet with Clinical Instructor.  
| Provide supervision and written feedback. Instruct/model techniques as necessary.  
| Meet with student clinician |  

| WEEK #10 | Submit Lesson Plans and/or SOAP Notes as indicated by clinical instructor.  
| Continue therapy.  
| Prepare for and meet with Clinical Instructor.  
| Begin collecting outcome data and planning/writing your FINAL CASE REPORT  
| Provide supervision and written feedback. Instruct/model techniques as necessary.  
| Meet with student clinician.  
| Meet with student clinician. |  

| WEEK #11 | Submit Lesson Plans and/or SOAP Notes as indicated by clinical instructor.  
| Continue therapy.  
| Prepare for and meet with Clinical Instructor.  
| Provide supervision and written feedback. Instruct/model techniques as necessary.  
| Meet with student clinician.  
| Meet with student clinician. |  

| WEEK #12 | Submit Lesson Plans and/or SOAP Notes as indicated by clinical instructor.  
| Continue therapy.  
| Prepare for and meet with Clinical Instructor.  
| Provide supervision and written feedback. Instruct/model techniques as necessary.  
| Meet with student clinician.  
| Meet with student clinician. |  

| 8 |
| WEEK #13 | Submit Lesson Plans and/or SOAP Notes as indicated by clinical instructor.  
Continue therapy. Begin collecting outcome data for your Final Case Report.  
Work on Final Case Report Draft. Have a peer review your final case report before submitting!  
Submit first draft(s) of final case report(s) approximately this week  
Prepare for and meet with Clinical Instructor | Confirm expectations for Final Case Report.  
Provide supervision and written feedback. Instruct/model techniques as necessary.  
Meet with student clinician. |
|-----------|---------------------------------------------------------------|---------------------------------------------------------------|
| Week #14 | Last week of clinic (not including make-ups)  
Submit Lesson Plans and/or SOAP Notes as indicated by clinical instructor.  
Conduct end of semester meeting with clients' parents/caretakers. Submit forms to Clinical Instructor regarding continuation of therapy.  
Prepare for and meet with Clinical Instructor:  
**REGULAR CLINIC ENDS THIS WEEK.** All make-ups must be completed by the end of Week 15. All final reports AND required paperwork must be completed, signed, distributed to the client, and filed on the last scheduled therapy day for each of your clients.  
Final evaluation conference MUST take place by the end of Week 15 unless otherwise scheduled. | Last week of clinic (not including make-ups)  
Provide supervision and written feedback. Instruct/model techniques as necessary.  
Meet with student clinician.  
Confirm any makeup sessions.  
Schedule final evaluation conference. |
| WEEK #15 | Make-up therapy week. Prepare for and meet with Clinical Instructor  
All final reports AND required paperwork must be completed, signed, distributed to the client, and filed on the last scheduled therapy day for each of your clients.  
Complete final evaluation conference. | Make-up therapy week. Meet with student clinician.  
Complete final evaluation conference.  
Confirm that all paperwork is complete and signed, including in CALIPSO documentation. |
| Week #16 | Finals Week | Submit grades for clinic. |
Additional Information

Commitment to Integrity:
As a student in this course (and at this university) you are expected to maintain high degrees of professionalism, commitment to active learning and participation in this class and also integrity in your behavior in and out of the classroom.

Sac State’s Academic Honesty Policy & Procedures:
“The principles of truth and honesty are recognized as fundamental to a community of scholars and teachers. California State University, Sacramento expects that both faculty and students will honor these principles, and in so doing, will protect the integrity of academic work and student grades.” Read more about Sac State’s Academic Honesty Policy & Procedures at the following website: http://www.csus.edu/umanual/student/stu-0100.htm

Definitions: At Sac State, “cheating is the act of obtaining or attempting to obtain credit for academic work through the use of any dishonest, deceptive, or fraudulent means.” Plagiarism is a form of cheating. At Sac State, “plagiarism is the use of distinctive ideas or works belonging to another person without providing adequate acknowledgement of that person’s contribution.” Source: Sacramento State University Library Note: Any form of academic dishonesty, including cheating and plagiarism, may be reported to the office of student affairs.

Understand When You May Drop This Course:
It is the student’s responsibility to understand when he/she need to consider disenrolling from a course. Prefer to the Sac State Course Schedule for dates and deadlines for registration. After this period, a serious and compelling reason is required to drop from the course. Serious and compelling reasons include: (a) documented and significant change in work hours, leaving student unable to attend class, or (b) documented and severe physical/mental illness/injury to the student or student’s family. Under emergency/special circumstances, students may petition for an incomplete grade. An incomplete will only be assigned if there is a compelling extenuating circumstance. All incomplete course assignments must be completed by the department’s policy.

Equal Access:
California State University-Sacramento, Department of Communication Sciences and Disorders, seeks to provide equal access to its programs, services, and activities for people with disabilities. If you have a documented disability and verification from the Office of Services to Students with Disabilities (SSWD), and wish to discuss academic accommodations, please contact your instructor as soon as possible. It is the student’s responsibility to provide documentation of disability to SSWD and meet with a SSWD counselor to request special accommodation before classes start. Sacramento State Services to Students with Disabilities (SSWD) offers a wide range of support services and accommodations for students in order to ensure students with disabilities have equal access and opportunity to pursue their educational goals. Working collaboratively with students, faculty, staff and administrators, SSWD provides consultation and serves as the information resource on disability related issues to the campus community. SSWD is located in Lassen Hall 1008 and can be contacted by phone at (916) 278-6955 (Voice) or (916) 278-7239 (TDD only) or via email at sswd@csus.edu.

Basic Needs Support
If you are experiencing challenges in the area of food and/or stable housing, help is available. Sacramento State offers basic needs support for students who are experiencing challenges in these areas. Please visit our Basic Needs website to learn more about your options and resources available. https://www.csus.edu/basicneeds/
Mental Health and Counseling

If you or a loved one are in crisis, please reach out. For immediate assistance, consider https://www.crisistextline.org/. For additional counseling support, Sacramento State offers counseling services through the WELL. Or just reach out to any of your instructors, and we can help you to find the resources you need.

Knowledge And Skills Acquisition (KASA) For Certification in Speech-Language Pathology

CSAD 229A Practice: Speech Disorders I

Standard IV-E, IV-G, IV-H: Contemporary Professional Issues
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: standards of ethical conduct.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: contemporary professional issues and advocacy.

Standard IV-F: Research
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: processes used in research and integration of research principles into evidence-based clinical practice.

Standard V-A: Oral and Written Communication
- The student will demonstrate skill in oral and written or other forms of communication sufficient for entry into professional practice.

Standard IV-B: Basic Human Communication Processes
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: acoustic bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: developmental/lifespan bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: linguistic bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: cultural bases of human communication differences.

Standard V-B 1a. Conduct screening and prevention procedures (including prevention activities)
- The student will demonstrate the ability to conduct screening and prevention procedures in the area of articulation.

Standard V-B 1b. Collect case history information and integrate information from clients/patients, family, caregivers, teachers, relevant others, and other professionals
- The student will demonstrate the ability to collect case history information and integrate information from clients/patients, family, caregivers, teachers, relevant others, and other professionals in the area of articulation.

Standard V-B 1c. Select and administer appropriate evaluation procedures, such as behavioral observations nonstandardized and standardized tests, and instrumental procedures
- The student will demonstrate the ability to select and administer appropriate evaluation procedures, such as behavioral observations, nonstandardized and standardized tests, and instrumental procedures in the area of articulation.

Standard V-B 1d. Adapt evaluation procedures to meet client/patient needs
- The student will demonstrate the ability to adapt evaluation procedures to meet client/patient needs in the area of articulation.

Standard V-B 1e. Interpret, integrate, and synthesize all information to develop diagnoses and make appropriate recommendations for intervention
- The student will demonstrate the ability to interpret, integrate, and synthesize all information to develop
diagnoses and make appropriate recommendations for intervention in the area of articulation.

Standard V-B 1f. Complete administrative and reporting functions necessary to support evaluation
- The student will demonstrate the ability to complete administrative and reporting functions necessary to support evaluation in the area of articulation.

Standard V-B 1g. Refer clients/patients for appropriate services
- The student will demonstrate the ability to refer clients/patients for appropriate services in the area of articulation.

Standard V-B 1a. Conduct screening and prevention procedures (including prevention activities)
- The student will demonstrate the ability to conduct screening and prevention procedures in the area of receptive and expressive language.

Standard V-B 1b. Collect case history information and integrate information from clients/patients, family, caregivers, teachers, relevant others, and other professionals
- The student will demonstrate the ability to collect case history information and integrate information from clients/patients, family, caregivers, teachers, relevant others, and other professionals in the area of receptive and expressive language.

Standard V-B 1c. Select and administer appropriate evaluation procedures, such as behavioral observations nonstandardized and standardized tests, and instrumental procedures
- The student will demonstrate the ability to select and administer appropriate evaluation procedures, such as behavioral observations, nonstandardized and standardized tests, and instrumental procedures in the area of receptive and expressive language.

Standard V-B 1d. Adapt evaluation procedures to meet client/patient needs
- The student will demonstrate the ability to adapt evaluation procedures to meet client/patient needs in the area of receptive and expressive language.

Standard V-B 1e. Interpret, integrate, and synthesize all information to develop diagnoses and make appropriate recommendations for intervention
- The student will demonstrate the ability to interpret, integrate, and synthesize all information to develop diagnoses and make appropriate recommendations for intervention in the area of receptive and expressive language.

Standard V-B 1f. Complete administrative and reporting functions necessary to support evaluation
- The student will demonstrate the ability to complete administrative and reporting functions necessary to support evaluation in the area of receptive and expressive language.

Standard V-B 1g. Refer clients/patients for appropriate services
- The student will demonstrate the ability to refer clients/patients for appropriate services in the area of receptive and expressive language.

Standard V-B 1a. Conduct screening and prevention procedures (including prevention activities)
- The student will demonstrate the ability to conduct screening and prevention procedures in the area of social aspects.

Standard V-B 1b. Collect case history information and integrate information from clients/patients, family, caregivers, teachers, relevant others, and other professionals
- The student will demonstrate the ability to collect case history information and integrate information from clients/patients, family, caregivers, teachers, relevant others, and other professionals in the area of social aspects.

Standard V-B 1c. Select and administer appropriate evaluation procedures, such as behavioral observations nonstandardized and standardized tests, and instrumental procedures
• The student will demonstrate the ability to select and administer appropriate evaluation procedures, such as behavioral observations, nonstandardized and standardized tests, and instrumental procedures in the area of social aspects.

Standard V-B 1d. Adapt evaluation procedures to meet client/patient needs
• The student will demonstrate the ability to adapt evaluation procedures to meet client/patient needs in the area of social aspects.

Standard V-B 1e. Interpret, integrate, and synthesize all information to develop diagnoses and make appropriate recommendations for intervention
• The student will demonstrate the ability to interpret, integrate, and synthesize all information to develop diagnoses and make appropriate recommendations for intervention in the area of social aspects.

Standard V-B 1f. Complete administrative and reporting functions necessary to support evaluation
• The student will demonstrate the ability to complete administrative and reporting functions necessary to support evaluation in the area of social aspects.

Standard V-B 1g. Refer clients/patients for appropriate services
• The student will demonstrate the ability to refer clients/patients for appropriate services in the area of social aspects.

Standard V-B 2a. Develop setting-appropriate intervention plans with measurable and achievable goals that meet clients'/patients' needs. Collaborate with clients/patients and relevant others in the planning process
• The student will demonstrate the ability to 1) develop setting-appropriate intervention plans with measurable and achievable goals that meet clients'/patients' needs and 2) collaborate with clients/patients and relevant others in the planning process in the area of articulation.

Standard V-B 2b. Implement intervention plans (involve clients/patients and relevant others in the intervention process)
• The student will demonstrate the ability to implement intervention plans (involves clients/patients and relevant others in the intervention process) in the area of articulation.

Standard V-B 2c. Select or develop and use appropriate materials and instrumentation for prevention and intervention
• The student will demonstrate the ability to select or develop and use appropriate materials and instrumentation for prevention and intervention in the area of articulation.

Standard V-B 2d. Measure and evaluate clients'/patients' performance and progress
• The student will demonstrate the ability to measure and evaluate clients'/patients' performance and progress in the area of articulation.

Standard V-B 2e. Modify intervention plans, strategies, materials, or instrumentation as appropriate to meet the needs of clients/patients
• The student will demonstrate the ability to modify intervention plans, strategies, materials, or instrumentation as appropriate to meet the needs of clients/patients in the area of articulation.

Standard V-B 2f. Complete administrative and reporting functions necessary to support intervention
• The student will demonstrate the ability to complete administrative and reporting functions necessary to support intervention in the area of articulation.

Standard V-B 2g. Identify and refer clients/patients for services as appropriate
• The student will demonstrate the ability to identify and refer clients/patients for services as appropriate in the area of articulation.
measurable and achievable goals that meet clients’/patients’ needs and 2) collaborate with clients/patients and relevant others in the planning process in the area of receptive and expressive language.

Standard V-B 2b. Implement intervention plans (involve clients/patients and relevant others in the intervention process)
