Catalogue Course Description:

CSAD 242A.

Methods: Language Disorders I & Professional Writing - Field of Speech-Language Pathology & Audiology. 2 Units

Prerequisite(s): Admission to Graduate Program

Corequisite(s): CSAD 243A

Term Typically Offered: Fall, Spring

Methods, materials and procedures in language disorders with emphasis on working with children and adults with peripheral hearing loss or central auditory processing disorders (CAPD). Includes staffing and discussion of cases in the current caseload. Focus on professional writing in the field of Speech-Language Pathology through the development of treatment plan proposals, critical responses, and clinic reports.

Place of Course in Program

This course is generally taken by students in the first semester of the graduate program and is the methods class that accompanies the clinical course taken in the same semester. This course meets the <u>University Graduate Writing</u> <u>Intensive</u> requirement and is placed in the first semester of the clinical sequence.

Sacramento State Graduate Learning Goals (GLG)	Addressed by this
0 ()	course (Y/N)
Disciplinary knowledge: Master, integrate, and apply disciplinary knowledge and skills to current,	Y
practical, and important contexts and situations.	
Communication: Communicate key knowledge with clarity and purpose both within the discipline and in	Y
broader contexts.	
Critical thinking/analysis: Demonstrate the ability to be creative, analytical, and critical thinkers.	Y
Information literacy: Demonstrate the ability to obtain, assess, and analyze information from a myriad of	Y
sources.	
Professionalism: Demonstrate an understanding of professional integrity.	Y
Intercultural/Global Perspectives: Demonstrate relevant knowledge and application of intercultural	Y
and/or global perspectives.	

Course Learning Outcomes:

Mastery of each student-learning outcome listed below is indicated by a grade of B or better on each component of the corresponding measures listed in the table. Students are required to track their progress towards meeting each learning outcome and must make an appointment with the instructor for any grade equal to or less than a B. The instructor will suggest strategies to help you establish competence and knowledge in these areas.

Students should track their progress towards meeting each learning outcome by listing their grades on the table below over the course of the semester. The instructor will use a variety of activities and strategies that implement both quantitative and qualitative assessment measures to ensure maximizing students' opportunities to learn and to integrate information presented in this course. The quantitative and qualitative data from these measures will be triangulated to evaluate students' mastery of each learning outcome.

CSAD 242A SPECIFIC STUDENT LEARNING OUTCOMES:

Upon completion of this course the student will be able to:

Reading and Writing Outcomes:

- 1. Understand the major professional conventions, practices, and methods of inquiry of the field of Speech-Language Pathology. Discuss context of writing conventions.
- 2. Produce written work that adheres to the appropriate format and is coherent and appropriate for the defined audience. Demonstrate appropriate writing style by selecting the appropriate tone, sentence length, phrasing, and use of professional terminology.
- 3. Write goals and objectives that address the area of need/baseline and are S.M.A.R.T (specific, measurable, attainable, results-oriented, and timely). Clearly document the progress a client has made or lack thereof and include a discussion of the barriers to greater success/progress in the Final Case Report.
- 4. Practice reading and writing as a learning process that involves peer and instructor feedback, revision, critical reflection, and self-editing. Assess his/her own writing and develop strategies for addressing weaknesses.

<u>This course meets the University Graduate Writing Intensive (GWI) requirement with a total of 20 pages</u> (10,000 words) of writing across genres and with opportunity for peer and instructor feedback followed by revision.

Clinical Methods Outcomes:

- 5. Discuss principles of assessment for clients associated with the Language I Clinic (auditory processing disorders, aural rehabilitation, phonological disorders, and child language delays/disorders) including standardized and unstandardized assessment and language sample analysis. Discuss interviewing procedures differentially for pediatric and adult clients.
- 6. Apply principles of ethics and confidentiality (HIPAA) in the clinical and classroom setting. Demonstrate professionalism in receiving and applying constructive feedback and in problem-solving with peers.
- 7. Compare, contrast, and evaluate different approaches for the treatment of child language, auditory processing, and speech sound disorders with a focus on the most recent available scientific evidence. Apply these approaches to individual or hypothetical clients.
- 8. Evaluate assessment and treatment ideas presented by the instructor and by classmates for clients with a variety of child language, auditory processing, and speech sound disorders. Discuss reinforcement principles, generalization, and communication with clients and families.

<u>This course meets KASA standards IV-B (human communication processes), IV-C (communication disorders), IV-D (assessment & intervention), IV-E (ethics), IV-F (research), IV-G (contemporary professional issues) and V-A (oral and written communication).</u>

Clinical and Professional Writing: Grading Contract

You are guaranteed a passing score (B) in this graduate writing course if you:

- 1. Attend class regularly- submitting notes for each missed class
- 2. Meet all due dates and writing content criteria for all major assignments
- 3. Participate in all in-class exercises and activities
- 4. Give thoughtful peer feedback
- 5. Sustain effort and investment on each draft of all papers
- 6. Make <u>substantive</u> revisions when the assignment is to revise—extending or changing the thinking or organization—not just editing or touching up
- 7. Copy-edit all final revisions of assignments until they conform to the conventions of clinical and/or academic writing
- 8. Attend conferences with the teacher to discuss drafts as needed

Thus, you earn the grade of B entirely on the basis of what you do—on your conscientious effort and participation. The grade of B does not derive from my judgment about the quality of your writing. Grades higher than B, however, do rest on my judgment of writing quality. To earn higher grades you must produce writing—particularly for your clinical case reports—that I judge to be exceptionally high quality.

Course Policies and Procedures:

Attendance, Electronic Devices, Participation, and Discussion

<u>Health & Safety Information</u>: If you are sick, stay home and do not attend class. Notify your instructor. Please selfdiagnose if you are experiencing any COVID- like symptoms (fever, cough, sore throat, muscle aches, loss of smell or taste, nausea, diarrhea, or headache) or have had exposure to someone who has tested positive for COVID contact Student Health & Counseling Services (SHCS) at 916-278-6461 to receive guidance and/or medical care. The CDC provides a good source of information regarding COVID-19 and a way to self-check symptoms: <u>https://www.cdc.gov/coronavirus/2019-ncov/index.html</u>

Students must adhere to COVID-19 policies regarding mask wearing and vaccinations as described on the CSUS website. Please see <u>https://www.csus.edu/compliance/risk-management/coronavirus.html</u> and <u>https://www.csus.edu/return-to-campus/return-to-campus-faq.html</u> for more information and updates.

Attendance on Zoom is permitted if a student is required to quarantine for illness. However, for all missed classes and classes attended via Zoom, students must submit a 1-2 page summary/notes on the topic of each class day that they miss. Students who attend on Zoom are expected to maintain cameras on during each class session.

For any additional absences (i.e., not due to quarantine), you must provide **documentation of need**. Some common reasons for an excused absence include significant or serious illness (student or immediate family member), religious observance, natural disasters, and serious motor vehicle accidents. Ultimately, the instructor is the arbiter of what constitutes an excused absence. This may differ from class to class, or from instructor to instructor. Please check with the instructor if you have any concerns about what might constitute an excused absence.

Failure to participate in your individual conferences with the instructor will be penalized with a 5% reduction in final grade for each conference. Failure to participate in substantive peer review (not just copy-editing, not just leaving a few comments) will be penalized with a 5% reduction in final grade for each peer review workshop.

Recording (audio or visual) is absolutely not allowed at any time during this course due to the discussion of client confidential information. Any student found to be recording during class time will be immediately referred to the Office of Student Conduct. For Zoom classes, live transcription will be turned on. Students are not to save the live transcript to their computers. If you require an accommodation and additional support in note-taking, please see me.

Online quizzes via Canvas: Quizzes are to be completed **independently**, though you may utilize your individual notes and texts. It is expected that you will maintain all aspects of academic integrity.

You are responsible for your own education. It is not enough to sit back and passively observe. You are expected to participate in each and every class, either in small group or large group discussion. I encourage you to use this course as an opportunity to problem-solve, think critically, and make mistakes. Making mistakes shows me that you are being brave: you are stepping out of your comfort zone. Making new and different mistakes shows me that you are reflecting, responding, and thinking critically. Be brave: use this course as an opportunity to grow.

ASHA Code of Ethics Statement

As a future clinician, I expect you to follow the Sacramento State Commitment to Integrity (see <u>Additional</u> <u>Information</u>) as well as the American Speech Language Hearing Association (ASHA) Code of Ethics. *The four Principles of Ethics form the underlying philosophical basis for the Code of Ethics and are reflected in the following areas:*

- (I) responsibility to persons served professionally and to research participants, both human and animal;
- (II) responsibility for one's professional competence;
- (III) responsibility to the public; and
- (IV) responsibility for professional relationships.¹

Office Hours Policies

Office hours are in person this semester and take place immediately before class and immediately after class. Please send me an email or speak to me during class to confirm that someone else has not already booked the time with me. I am also available at other times by appointment either in person or via Zoom.

Commitment to a Safe Learning Environment

I am committed to each student's success in learning within a caring, responsive, and safe environment that is free of discrimination, violence, and bullying. Our program works to ensure that all students have the opportunity and support to develop to their fullest potential and share a personal and meaningful bond with peers and faculty within the program. Please don't be a bystander to acts of harassment, discrimination, or hatred.

Inclusion and Access

As we transition to and from virtual teaching, you may find ways in which this course does not meet your accessibility needs or you may identify ways in which course access can be improved for others. I encourage you to speak up when you see room for improvement. For formal accommodations, students should seek support through Services for Students with Disabilities (see <u>Additional Information</u> below).

Additional Information

Commitment to Integrity:

As a student in this course (and at this university) you are expected to maintain high degrees of professionalism, commitment to active learning and participation in this class and also integrity in your behavior in and out of the classroom.

Sac State's Academic Honesty Policy & Procedures:

"The principles of truth and honesty are recognized as fundamental to a community of scholars and teachers. California State University, Sacramento expects that both faculty and students will honor these principles, and in so doing, will protect the integrity of academic work and student grades." Read more about Sac State's Academic Honesty Policy & Procedures at the following website: <u>https://www.csus.edu/umanual/student/stu-100.htm</u>

Definitions: At Sac State, "cheating is the act of obtaining or attempting to obtain credit for academic work through the use of any dishonest, deceptive, or fraudulent means." **Plagiarism** is a form of cheating. At Sac State, "plagiarism is the use of distinctive ideas or works belonging to another person without providing adequate acknowledgement of that person's contribution." Source: Sacramento State University Library Note: Any form of academic dishonesty, including cheating and plagiarism, shall be reported to the <u>Office of Student Conduct</u>.

Department Policy on Use of APA format:

The Department of Communication Sciences and Disorders requires the use of the APA format and style. All students are required to reference the APA manual. All assignments are to be composed using APA format and style unless otherwise noted.

Understand When You May Drop This Course:

It is the student's responsibility to understand when he/she need to consider disenrolling from a course. Prefer to the Sac State Course Schedule for dates and deadlines for registration. After this period, a serious and compelling reason is required to drop from the course. Serious and compelling reasons include: (a) documented and significant change in work hours, leaving student unable to attend class, or (b) documented and severe physical/mental illness/injury to the student or student's family. Under emergency/special circumstances, students may petition for an incomplete grade. An incomplete will only be assigned if there is a compelling extenuating circumstance. All incomplete course assignments must be completed by the department's policy.

Inclusivity:

Students in this class are encouraged to be active participants in all aspects of the course, including but not limited to lectures, synchronous and asynchronous activities, discussion posts, etc. Each of us must show respect for each other, as our class represents a diversity of beliefs, backgrounds, and experiences. This enriches all of our learning experiences together. Our individual differences deepen our understanding of one another and the world around us, rather than divide us. In this class, people of all ethnicities, genders and gender identities, religions, ages, sexual orientations, disabilities, socioeconomic backgrounds, regions, and nationalities are strongly encouraged to share

their rich array of perspectives and experiences. If you feel your differences may in some way isolate you from our classroom community, or if you have a specific need, please contact the instructor early in the semester. Your instructor will work with you to ensure that you become an active and engaged member of our class and community.

Equal Access:

California State University-Sacramento, Department of Communication Sciences and Disorders, seeks to provide equal access to its programs, services, and activities for people with disabilities. If you have a documented disability and verification from the Office of Services to Students with Disabilities (SSWD), and wish to discuss academic accommodations, please contact your instructor as soon as possible. It is the student's responsibility to provide documentation of disability to SSWD and meet with a SSWD counselor to request special accommodation before classes start. Sacramento State Services to Students with Disabilities (SSWD) offers a wide range of support services and accommodations for students in order to ensure students with disabilities have equal access and opportunity to pursue their educational goals. Working collaboratively with students, faculty, staff and administrators, SSWD provides consultation and serves as the information resource on disability related issues to the campus community. SSWD is located in Lassen Hall 1008 and can be contacted by phone at (916) 278-6955 (Voice) or (916) 278-7239 (TDD only) or via email at sswd@csus.edu.

Basic Needs Support

If you are experiencing challenges with food, housing, financial or other unique circumstances that are impacting your education, help is just a phone call or email away! The CARES office provides case management support for any enrolled student. Email the CARES office at <u>cares@csus.edu</u> to speak with a case manager about the resources available to you. Check out the <u>CARES website</u>.

Zoom/ Online Instruction privacy and relevant rights and responsibilities:

Any time that a class session is recorded during the COVID-19-related Remote Instruction Period, students will be notified. If students do not want their likeness during class participation included in the recorded class session, they may elect to not participate via video recordings. Recordings will be available for viewing during the Remote Instruction Period subject to the following:

Only students enrolled in the subject class during the Remote Instruction Period may view the recording.

- Students may not post or use the recordings in any other setting (e.g., social media) for any purpose. Students who violate this will be subject to student discipline, up to and including expulsion.
- Federal and California law as well as University policies protecting intellectual property rights and use of instructional materials (including any recordings of class sessions) remain in effect during the Remote Instruction Period.
- If faculty have any plan to use the recording for a different class in the future, the faculty member will need written FERPA consent from those students in the current class who are identifiable in any of the recordings. A FERPA consent form signed by all students in the course will also be needed if the recordings are made available to others beyond the classroom on a nonsecure digital platform.

Important Tips for Success as an Online Learner

There are some basic technical skills and requirements that you will need to have to be successful in this online course. If you have difficulties using Canvas, please go through the <u>Canvas Student Tour.</u>

• **Begin planning now for private, uninterrupted time in your schedule** to complete the assignments – preferably in at least one-hour blocks and at least three times a week. It can be easy to fall behind!

- *Check your email account regularly* for updated information. We will be using your Saclink email account for communication. Use Saclink e-mail for private messages to the instructor and other students.
- Read directions carefully.
- For online communication, conventions of on-line etiquette ("netiquette"), which include a courtesy to all users, will be observed. Please see <u>Guidelines for Online Discussions.</u>

Attitudes & Technical Skills Required

You will find that the following attitude will significantly contribute to your success in this online class:

- A positive attitude towards technology
- An open mind towards online education
- Willingness to share your experiences with others
- Strong analytical and critical thinking skills for when you "get stuck"
- Resourcefulness don't be afraid to click on links and explore and ask questions
- Time management

Online learning requires only basic technical skills:

- Be competent with file management (for example, creating a folder on your desktop, moving files from one location to another, finding a saved file)
- Possess internet navigation skills
- Update your Internet browser
- Send and receive email
- Create and save documents (Word, PowerPoint, Excel or HTML)
- Toggle between two open software applications on your computer
- Copy text from a word processing program and paste them into another program

Technical Assistance

Seek help when you can't access Canvas or class materials.

- For technical assistance, contact the IRT Help Desk. Visit AIRC 2005 during <u>open hours</u> to speak with the IRT Service Desk Team, or call (916)278-7337. <u>IRT website</u>.
- For assistance with course materials, contact your instructor

Spam and Phishing Scams

- Learn how to stay safe and protect yourself from hackers who may try to access your personal information: Don't Fall for a Phishing Scam
- Use anti-virus, anti-spyware, and anti-malware software. <u>Sac State's Software and Tools</u> available for download.
- Use pins and passwords to secure your computer and devices- don't share your password with anyone. Use strong passwords that include a combination of letters and numbers that no one can guess.

Canvas Student App

Canvas is fully functional on many types of smartphones and tablets. Compatible devices include platforms such as iPhone/iPad/iPod Touch, and Android. However, it is recommended that you do not solely rely on one of these devices to complete your online course work. Access to a computer is still needed for many online activities.

Visit the Mobile section of the Canvas Guides website for more information.

Knowledge and Skills Acquisition (KASA) For Certification in Speech-Language Pathology
