HEALTHCARE SYSTEMS & PATIENT
OUTCOMES

OBTAIN A NEW ROLE/POSITION THAT
REIGNITES YOUR NURSING PASSION

GET YOUR MASTER'S OF SCIENCE IN NURSING (MSN) ***at Sacramento State***

- Program prepares registered nurses with baccalaureate degrees for advanced practice roles as nursing educators and administrators in a variety of clinical settings.
- Students can complete the program **at their own pace, in 2-4 years**
- **Courses are hybrid**, with most classes **online**. Occasional in-person classes. All classes are in the **evening**.
- **Learn more about our program** at <https://www.csus.edu/college/health-human-services/nursing/graduate-program.html>
- Do you have an ADN and a bachelor's in another field? You can take two pathway courses to enter our MSN program. Email to learn more: samantha.blackburn@csus.edu

Apply October 1-February 28 to start August 29 2022: <https://www2.calstate.edu/apply>

Required application materials include:

- Online Application
- Statement of Purpose
- 2 Letters of Recommendation
- Official Transcripts
- Email questions about application to:
grad_admissions@csus.edu
