RN to BSN Program Overview and Application Requirements

Updated Fall 2022

Redefine the Possible™

Welcome and thank you for your interest in our RN to BSN Program!

- The purpose of this PowerPoint is to provide an overview of the RN to BSN program and application requirements.
- Is this program right for you?
 - If you are interested in nursing but not yet in a nursing program, [click here to learn more about our pre-licensure program.](#)
 - If you are currently in the 1st semester of an ADN program, [click here for more information about our collaborative.](#)
 - If you already have a BA/BS, you may want to consider going right into our MSN program, [click here to learn more about the ADN to MSN option.](#)

Why choose Sac State?

- Affordable tuition and low-cost materials
 - Low-cost of Sac State tuition
 - Open-educational resources
- Quality online courses
 - Courses created for students' needs
 - Certified as organized and accessible
- Accredited by the [Commission on the Collegiate Nursing Education](#)

Flexible Program

- Be done in 2 or 3 semesters
 - Choice of part-time or full-time track
- Ability to apply to receive your Public Health Nursing (PHN) certificate
 - Option to take N174C, PHN clinical course

Overview of the RN-BSN Program

- Courses in the program are all offered online with synchronous and asynchronous content
- All students are required to attend 2 orientations prior to the start of their 1st semester
 - 1 University orientation via Zoom
 - 1 RN to BSN Program orientation via Zoom
- All synchronous classes occur on Wednesdays, typically once a month.

Suggested Full-Time Pattern

Semester 1

- NURS 170: Foundations for Evidence-Based Practice (3 units)*
- NURS 171: Transitional Concepts: The Baccalaureate Nurse (6 units)
- NURS 174: Community Health Nursing: Concepts and Practice (4 units)
- NURS 174C: Community Health Nursing: Clinical Elective (2 units)**
- 1st Upper GE course (3 units)

Total = 18 units

*NURS 170 must be taken during 1st semester

**NURS 174C is a clinical course (90 hours); course required for PHN certificate. Students may file an exemption to not take NURS 174C.

Semester 2

- NURS 173: Theoretical Foundations for Leadership and Management (6 units)
- NURS 179: Professional Communication and reasoning Development (3 units)***
- NURS 178: Culminating Project (3 units)****
- 2nd Upper GE course (3 units)

Total = 15 units

***WPJ exam must be taken prior to enrolling in NURS 179

****NURS 178 must be taken during last semester of nursing courses

Sugggested Part-Time Pattern

Semester 1

- NURS 170: Foundations for Evidence-Based Nursing Practice (3 units)
- NURS 171: Transitional Concepts: The Baccalaureate Nurse (6 units)

Total = 9 units

Semester 2

- NURS 174: Community Health Nursing: Concepts and Practice (4 units)
- NURS 174C: Community Health Nursing: Clinical Elective (2 units)
- NURS 179: Professional Communication and Reasoning Development (3 units)

Total = 9 units

Semester 3

- NURS 173: Theoretical Foundations for Leadership and Management (6 units)
- NURS 178: Culminating Project (3 units)

Total = 9 units

Semester 4

- 2 Upper GE courses (6 units) – May be taken earlier if blended with required BSN course during 1st through 3rd semesters

Total = 6 units

Important Considerations

- NURS 170 is a required 1st course in the program. May be taken concurrently with other courses except for NURS 178
- NURS 178 is the required last nursing course. May be taken concurrently with other courses except for NURS 170
- NURS 174C: This clinical course must be taken concurrently with the theory course (NURS 174) or the very next semester after completing NURS 174
 - Students may apply for an exemption to not take NURS 174C as part of their program of study
 - It is important to note that students who do not complete NURS 174C will not be eligible to apply for the Public Health Nurse certificate
 - NURS 179: Writing Intensive - Completion of the Writing Placement for Juniors (WPJ) is a pre-requisite for enrollment. Meets GE Area C2

Writing Placement for Juniors (WPJ)

- The Writing Placement for Juniors (WPJ) exam must be taken before enrolling in NURS 179. Enrollment in NURS 179 is contingent upon the score received on the WPJ. Students are encouraged to take the WPJ during their first semester.
- Students who already have a BA/BS in another field are exempt from the WPJ requirement.

GE Requirements

- Applicants who have not had a GE evaluation are encouraged to have a GE evaluation prior to applying to the RN to BSN program.
- See the [College of HHS Student Success Center](#) for transfer students. Be sure to have your official transcripts ready for your GE advising session
- 3 upper division GE courses are required (NURS 179 serves as one of the 3 upper GE for area C)
- Students who already have a BA/BS fo not have to take the 2 additional upper GE courses besides NURS 179
- GE courses may be taken anytime; during fall, winter, spring, or summer semesters
- **Note:** *The graduation requirement for foreign language is waived for the RN to BSN program*

Tuition and Campus Fees

- Go to the [Sac State Website](#) for current tuition and fees
 - Scale is different for students without a prior BA/BS, follow the fee schedule for Undergraduates
 - Low additional program costs (minimum textbook costs or other fees)
- **Note:** *All fees are estimates and subject to change upon approval by the Board of Trustees*

Admissions Requirements

- An unencumbered, valid California Registered Nursing license
 - ADN program completion prior to starting program
 - NCLEX-RN exam must be passed prior to starting 2nd semester
- California state resident
- Admission to Sacramento State
- A cumulative GPA of 2.6 upon completion of qualifying nursing program
- Program admission is contingent upon meeting clearance requirements outlined

Required Pre-Admission Courses

- Anatomy (with a lab)
- Physiology (with a lab)
- Microbiology (with a lab)
- Chemistry (integrated or organic chemistry is not required)
- Written Communication
- Oral Communication
- Statistics
- Critical Thinking

Applicants must pass above courses with a "C" or better

Application

- Application is a **two-step** process:
 1. Apply to Sacramento State. Link to apply online <https://www.calstate.edu/apply>
 2. Apply to the RN to BSN program. Please check School of Nursing's [website](#) for the correct link to apply online to the RN to BSN program. There is a supplemental application fee for the RN to BSN program.

Application Deadlines

Fall Deadlines

- University application period
October 1st – November 30th
- School of Nursing RN to BSN
application period
December 1st – February 15th

Spring Deadlines

- University application period
August 1st – August 31st
- School of Nursing RN to BSN
application period
September 1st – October 15th

Important Deadlines
