

# CSUS Division of Social Work - Transfer Road Map

How to use your roadmap: These schedules are based on a transfer student who comes with 60 units completed and all Pre Major Requirements met. In some cases, students will transfer with more than 60 units and the additional courses can be removed if not necessary. Open spaces in your schedule are available to complete General Education Requirements, Graduation Requirements and to ensure you earn 120 Units for graduation. Classes that are **highlighted** cannot be moved from the semester assigned.
