Social Work Field Instructor Training and Resources

Thank you for being a integral part of the Sac State Social Work student's educational experience! Social work education provides students with a unique opportunity to apply what they are learning in the classroom to practice in the field. Working in a social work field agency allows students to leverage classroom theory and knowledge to develop their professional competence and identity, as well as begin their commitment to serving clients and communities.

Exit Survey

The screenshot shows a web-based 'Exit Survey' form. At the top, there is a dark green header with the title 'Exit Survey' in white. Below the header, the form is set against a light gray background with a faint image of a person. A red arrow points to the first question, which is marked as required with a red asterisk. The question asks for the name as it should appear on the certificate. Below the question is a text input field with the placeholder 'Enter your answer'. The second question is about the degree or license, with several checkboxes for different credentials: BASW/BSW, MSW, LCSW, ASW, and PPSC. There is also an 'Other' checkbox followed by a text input field.
