

# GOAL #2

## PROMOTE FACULTY EXCELLENCE IN TEACHING AND SCHOLARSHIP

### Indicators of success

- Increase collaboration within the college and in the broader academic community
- Increase scholarly output, including grants, publications, and presentations
- Increase faculty engagement in pedagogy enhancement programs
- Fewer barriers to innovative pedagogy
- Increase external funding
- Increase student success
- Robust culture of safety

### Suggested Strategies

- Increase funding and time allocation for professional development in teaching and scholarship
- Improve interdisciplinary collaboration opportunities
- Develop an onboarding program for new faculty
- Infrastructure improvement to maximize faculty research lab space, upgrade college research equipment and instrumentation, and improve animal care facilities
- Increase staff support for academic units
- Support faculty grant-writing process
- Highlight and acknowledge faculty achievements
