ABSTRACT OF THE THESIS/PROJECT PROPOSAL

Instructions:

Submit a copy of this form together with your Thesis or Project Proposal (approved by your supervisory committee) to the Graduate Coordinator at least one week prior to your Advancement to Candidacy meeting.

Name of Student:

Graduate Advisor:

This abstract is for:

MS Degree (Thesis)

MA Degree (Project)

Title of Thesis or Project:

ABSTRACT (less than 500 words)

The Abstract outlines what you will be expected to accomplish in your thesis or project to satisfy the culminating experience for the master's degree. It should state the questions or problem being addressed, hypotheses, aims or objectives, study design, methodology, analyses, and anticipated timeline. See guidelines for writing the Abstract on the Grad Canvas course.
