

SCIENCE & MATH Teaching Network

Interested in learning more about the teaching profession, and meeting teachers from the Sacramento region who can share what it's like? Join us at this FREE (including lunch!) event!

Learn ➤ what it's like to be a middle/high school science or math teacher.

Meet ➤ other Sac State students interested in teaching, including current students in the Teaching Credential program.

Team Up ➤ with science and math teachers from the Sacramento region who will serve as mentors and share what it's like to teach at a middle/high school.

Experience ➤ engaging workshops that highlight effective teaching strategies for diverse populations.

MAY 7, 2022
9AM - 1PM
