

SACRAMENTO STATE

MATH LAB

The Math Lab will be running both in-person and virtually this semester! If you have a homework question or need help in your mathematics or statistics class, please drop-in to talk to one of our tutors!

Sac State students are welcome to come individually or as a group to get help from a tutor, no appointment needed. You are also welcome to work on homework in the Lab and get help from a tutor if questions arise, check out textbooks or calculators, and utilize other resources.

SPRING 2023 HOURS

Monday - Thursday: 9am* - 5pm

Friday: 9am* - 1pm
