# **MATH LAB**

**If you have a math question or need help in your mathematics or statistics class, please stop by our Virtual Math Lab!**

Our Zoom Room is staffed by our mathematics graduate students and undergraduate tutors to answer questions and help you explore ideas. You are welcome to come individually or as a group to be split into a breakout room to work with a tutor as needed. You are also welcome to just pop in and ask a question!

Click "Join" from the Zoom client or website and enter our Meeting ID *or* go to the link below!
