How to establish an Internship for FASH students:

1. At least one semester before taking an internship, the student needs to tentatively determine what experience they would like to gain from an internship.
2. A student may find their own placement but must get approval from the department supervisor before they start the intern program.
3. The internship has to be a formal intern program established by a corporation, such as Macy's or Nordstrom.
4. There is an internship packet available at the department office.
