**Monday, Wednesday times:**

**Once a week times (list best days and times):**

In the spaces provided, please rank order (with "1" being highest) your interest in teaching the Undergraduate Psychology courses listed below. Rank only those courses you would actually be interested in teaching. Please rank (don't just check) courses, do not add any courses, and do not submit any tied rankings. If you have experience teaching a particular course that you have ranked, please put a check mark in the "Taught Previously" column and, *after the course name*, indicate where you taught it (for this school, just put CSUS). Please make sure there is sufficient information in your resume, letter of application, references, or transcript to indicate that you are qualified to teach the courses you rank; update your resume or letter, if necessary.
