Welcome to the Renaissance Society of Sacramento

Welcome to the Renaissance Society Fall 2022 Semester! Our semester theme is “The Joy of Learning Together,” and we truly celebrate another transition in our 36-year history. After nearly two years of virtual learning, and almost no social connections, we are proud to say we are “building back better!”

More programs. More options for learning. More joy in sharing with one another and with our Sac State Hornet Family. We welcome you to the leafy Sac State campus for Friday presentations and events. Monday through Thursday, we invite you to partake of our virtual offerings. Best of all, these many offerings come with no increase in membership dues!

It’s the best of both worlds: virtual, in person, and a combination of the two.

Here are some key dates as you engage with Renaissance:

- Monday, August 8: Class registration opens. Check in early as some classes fill quickly!
- Friday, August 12: Orientation. Whether you are new or returning, hear important information – from 9 to 11 am; then
- Friday, August 12: Rendezvous. Mingle with seminar leaders, committee chairs, and affiliated groups to learn about seminars and volunteer opportunities – from Noon to 2 pm.
- Tuesday, September 6: Classes begin. Launch your learning journey!

We will give you all the details about these events in our email *Weekly Updates* and monthly *Recorder* newsletters, on our website, in Twitter and Facebook posts, as well as our catalog.

Renaissance members value being part of the Sac State family and we love to give back. Members give generously of time, money, and their own wisdom, to fund student scholarships, support the ASI Food Pantry, usher for student performances, mentor Gerontology students, join Physical Therapy students who evaluate and work with us, and support various campus functions. Look into it. There is something for everyone.

How to make the most of your involvement in Renaissance? Volunteer! There are committees and special projects and publications. It’s all a way to meet a fabulous group of people and enrich your own life by giving back. We will offer lots of suggestions as the semester progresses.

Most of all, enjoy, ask questions, and get on board to *Learn. Connect. Share.* It’s going to be a great semester!

At-a-Glance Program Schedule

What follows is an at-a-glance schedule that sets forth all our remarkable Fall 2022 programs by day of the week so that you can more easily manage your schedule. We offer four types of programs: **Seminars, Shared Interest Groups (SIGs), One-time Presentations, and Forums.**

Our **Seminars** are led by one or more Renaissance Society members. Each is a series ranging from three to twelve weeks, focused on one subject. There are forty-five seminars this semester.

We have also arranged thirty-two **Shared Interest Groups (SIGs)** facilitated by Renaissance Society members, that include various activities and interests centering on what people enjoy doing together, such as photography, games, walking, reading, writing, eating, drinking, and travel, etc.

Our increasingly popular **One-time Presentations** program features a variety of topics given by Renaissance Society members as well as community speakers. This program totals forty-three presentations: Five *Community Presentations* and fourteen presentations in the *Monday Big History Series*, both of which are open to the community, as well as twelve presentations in the *Tuesday Speakers Series* and eleven presentations in the *Friday On-campus Speakers Series*, and a Saturday trip, which are reserved for Renaissance Society members only.

Our premier speakers' program - **Forums** - will again feature a sparkling group of community speakers just as it has since our founding in 1986. The Forums will be held on Fridays at 3:00.

This array of incredible educational opportunities allows you to take as many programs as you want - as long as they don't have a time conflict. Again, this Fall we'll be limited only by our interests, curiosity, and level of energy, not by physical space or date and time. How extraordinary!

Do You Still Need a Paper Schedule?

This printed version of the Renaissance Society Fall 2022 Catalog is limited to the At-a-Glance Program Schedule. The details for each program are found in the Fall Catalog 2022, which is available on the [RS website](https://www.csus.edu/college/social-sciences-interdisciplinary-studies/renaissance-society/) - (<https://www.csus.edu/college/social-sciences-interdisciplinary-studies/renaissance-society/>). Please consider whether you have a need for this printed schedule when you register for membership. By doing so, you significantly reduce our printing and mailing costs, funds that we can use for other important Renaissance Society projects, and at the same time you are being environmentally friendly.

Parking on Campus

The Sac State campus no longer issues parking stickers. Information about the new License Plate Recognition system will be sent to all members. You may also follow this link for additional information: <https://www.csus.edu/parking-transportation/virtual-permits/>

Thank you.
