

Spring 2020 class schedule for Android Basics drop-in class

This is an Android Smartphone drop-in support group. We help one-on-one, hands-on with YOUR cell phone. Discuss your BASIC usage: phone features, settings, make and receive calls, contact info, voice mail, message/text, delete, email, camera, phone apps and play store. We want YOUR basic questions!

Week 1:

Begin Cell Phone Front/Face: Top, Middle, Bottom, Back, Sides

Identify your cell phone: bring your booklets

Week 2:

Finish Cell Phone Face: Emphasize Bottom Keys

Continue with the face of your cell phone, especially your menu, home and back keys

Week 3:

Locate and Adjust Settings

Explore settings: e.g. sound & display while noting what keys were used

Week 4:

Make a Phone Call, Logs and Contacts

Make, receive, & delete, look at contacts

Week 5:

Continue Phone Call

Make, receive, create contacts

Week 6:

Voicemail

Listen, review, delete, create personal message

Week 7:

Email

Open, delete, reply, send using/imputing an email address, attach a picture

Week 8:

Big Review

Settings, make, receive phone call, Contacts, Voicemail, Email

Week 9:

Text

Send, reply, receive, delete, attach a picture

Week 10:

Camera

Take, adjust picture, view, attach to email and text

Week 11:

Our favorite APPS from phone apps & Play Store

Share, show and tell

Week 12:

Big Review

Bring all questions
